MARCH

Your greatest contribution may not be something you do, but someone you raise.

Man Cub

School Activity Supervision Reminder

As we continue to remain busy with school activities, I would like to take a moment to remind you of the importance of supervising your children during these occasions.

While our school strives to create a safe and enjoyable environment for all students, it is crucial that parents remain vigilant and actively supervise their children throughout the duration of these events. Whether it's a sports game, a concert, a fundraiser, or any other school-related activity, your presence and supervision are invaluable in ensuring the safety and well-being of all attendees, especially the younger ones.

Please remember to:

1. Accompany your child to the event and stay with them throughout.
2. Keep a watchful eye on your child's activities and whereabouts.
3. Encourage responsible behavior and respectful interaction with others.
4. Be readily available in case of any emergencies or unforeseen circumstances.

By working together, we can ensure that our school events are not only enjoyable but also safe for everyone involved. Your cooperation and support in this matter are greatly appreciated. Thank you for your attention to this important matter. Should you have any questions or concerns, please do not hesitate to contact Mrs. Palic.

DON'T FORGET

ORAL

HEALTH

SCREENINGS

Northeast Colorado
Health Department

Monday and Tuesday
March 4th & 5th

Julesburg Elementary
School
401 Cottonwood Street
