Dear Parent or Guardian,

Beginning in the 2023-2024 school year, schools are required to provide developmentally appropriate instruction in child sexual abuse prevention to students in grades K through 6. Instruction is to occur annually and include information on available counseling and resources for children who are sexually abused. Instruction and information provided cannot be connected in any way to any individual, entity, or organization that provides, promotes, counsels or makes referrals for abortion or abortion-related services. This program will be implemented through a classroom presentation by Amanda Calvert, District Guidance Counselor, and Deputy Noonan, School Resource Officer, on the following dates:

6th grade March 6, 2024
