We are offer vs. serve. The federal Gov. USDA guidelines for the National School Lunch Program offer students 5 meal components daily. The daily components consist of grain, meat/meat alternate, vegetable, fruit & milk. Each student may take all 5 components or as few as 3 components to receive a reimbursable meal. If a student chooses to take only 3 components, one component MUST be a fruit or a vegetable for that meal to be a reimbursable meal. A student may take as little as ½ cup serving of a fruit and/or vegetable or as much as 1 cup serving of a fruit or a vegetable. Menu is subject to change due to availability of products.
