# 2023-2024 Budget General Information USD #: 344

## **Introduction**

Pleasanton is a small rural community with a population of 1387. Pleasanton is located just off of 69 highway 25 miles north of Fort Scott, or 50 miles south of the Kansas City Metro area. Our area is rich in history as it was named after the General that defeated the Confederate in the Battle of Mine Creek in October of 1864. This battle was fought just south of the city of Pleasanton and involved 25,000 men which resulted in a Union victory which ended the threat of Confederate invasion in Kansas.

# The District's Accomplishments and Challenges

**Accomplishments:** Over the past 9 years our high school has been able to celebrate many accomplishments. Most notable the fact that they have had many years with 100 percent graduation rate! In addition, we have recently passed a bond issue that renovated nearly our entire campus. The previous issue was passed over 50 years ago. We are very proud and thankful for a community that puts kids first!

**Challenges:** Our district continues to be faced with a tight budget and a slim hiring pool. We struggle to hire new staff as our salary schedule is less than surrounding districts.
