Please congratulate Matthew on a wonderful performance with All State Band!! He's the first student to get in since 1972 from RF. Thank you to Julie Jachimczak for giving him private lessons to get him to this level. After auditioning, he was named 2nd chair in All State Band. There were 9 percussionists in All State Honor Band, so that puts him at about 11th chair out of the whole state!! And he's only in 10th grade!!

Congratulations Matthew!!! 🥁 🎵 🎉

REASONS TO BE IN SCHOOL EVERY DAY

1. Better grades.

The better your attendance, the higher your grades.

2. Less stress. When you miss school, you have lots of assignments to make up. That's stressful.

3. You learn more. Learning a little every day in class is much better than having to learn everything you missed on your own.

4. More likely to graduate. Students who have poor attendance are less likely to graduate.

5. Time with friends. When you are at school, you can spend time with friends (and make new ones).

6. Good habits. You'll develop good habits for success—like showing up every day and being on time.

For more on the importance of attendance, watch this video!

VIDEO

7. Mentors. Your school is full of people who can offer you advice and guidance, like your teachers and counselor. If you aren't at school, you won't get the chance to develop relationships with the people who are there to help and support you.

8. Preparation for your future.

The knowledge you gain and the skills you develop in school will help you be successful throughout your life.

9. Personal development. The more you're in school, the more you learn. And the more you learn, the more intelligent, interesting, and capable you become.

10. Pride. When you're succeeding in your classes, your parents and teachers are proud of you. But most importantly, you feel proud of yourself—and that's a great feeling!

River Forest Community School Corporation
Free/Reduced Meal Program

It's more than an application!

Completing the Free/Reduced Meals application is helpful beyond free and discounted meals for students. Your completed application ensures continued funding to support your student and all students in our district.

Internet Access

Some organizations offer low or no cost in home WiFi to families who receive Free/Reduced benefits.

Meal Benefits

Students receiving Free/Reduced benefits enjoy breakfast and lunch every school day at little or no cost. Families who are not directly certified may still qualify by submitting an application.

Curricular Fees

Many families who receive Free/Reduced benefits are also eligible for textbook assistance. This helps offset a portion of the cost for your child's annual curricular material fees.

College Aid & Programs

Students may qualify to participate in college prep programs such as 21st Century Scholars and the PNW TRIO program. Many college scholarships are need-based, and organizations will use Free/Reduced Meal status as a factor.

Submit your Free/Reduced Meal application online today at <https://riverforest.familyportal.cloud/> or scan the QR code with your mobile device to apply.
