Kenny Daugherty, Secondary Principal/AD

Stan Pedersen, Elementary Principal

Christa Fraire, Counselor

Dear families,

We are always working to improve and simplify communication between you and Burlington School. Keeping up with your child's coursework and their teachers directly impacts their well-being, both in the classroom and at home. School communication plays a big part in all of this, but it's often not set up to be as simple and easy to access as it could be.

That's what we're working to solve. This year, we're adding a new feature called Rooms to our district app. Rooms enables you to have two-way parent-teacher conversations and keep up with classroom announcements. As well, it follows the new legislation implemented 8/1/2024.

Our district app currently offers:

- Live feed updates
- District and school news
- Upcoming events
- Breakfast and lunch menus
- Push notifications for important and urgent announcements

With Rooms, you'll have access to even more exciting features like:

- Two-way messaging with teachers, staff, and coaches
- Classroom announcements, reminders about coursework, and materials
- Behavior tracking for celebrating good behavior and academic achievement
- Automatic translation

So what does all of this mean for you? This means that you don't need another app or tool to keep up with your child's teachers and coursework. You'll be able to find the vast majority of school and district information in one place: within our Burlington School app. If you don't already have it, the district app is free and you can search for it in the Play Store and App Store!

Once your child's teacher or sponsor creates their room, you'll receive an invite to Rooms by email or text. Once you receive the invite, you'll follow the link on your browser to create a login.

BURLINGTON PUBLIC SCHOOL

401 Main Street, PO Box 17

Burlington, OK 73722-0017

Christa Fraire, Counselor

After you've created your login, you can access Rooms through the Burlington School app (search the app store or google play store using keywords Burlington, OK). Once you're there, you'll see a toggle at the bottom right-hand corner of the screen. Just touch Rooms to get started. If you have multiple children attending our district, you'll see them both listed in the menu section of Rooms.

We hope this offers you a richer, more simple—and ultimately—easier communication experience. Don't hesitate to reach out to us if you have any questions.

We will still continue to use the school-wide remind for community announcements.

Thank you,

Gerrett Spears
