We understand that back -to-school shopping can be a fun tradition for families as students transition to a new school year. This year we ask families to focus only on the following items : student backpacks, boxes of Kleenex, headphones, tennis shoes and optional items . We have purchased supplies in bulk and are asking families to contribute \$35 to cover the cost. If this is a financial burden please contact the office 218 - 864-5217.

Checks can be made out to the Battle Lake School .
