

WARROAD HIGH SCHOOL

DIGITAL APPLICATIONS

SCHOOLOLOGY

1

WHAT DOES IT LOOK LIKE?

2

WHAT IS IT?

Is our Learning Management System (LMS) where teachers share lesson plans, post assignments & resources, students submit work that is completed digitally, and where students (and families) should access the gradebook.

3

STUDENT USAGE

High school students use daily to access academic content, class work, and check grades. It is also used by some extra-curricular groups and teams as a communication tool.

4

PARENT USAGE

This is the most accurate place to monitor child's grades, missing work, as well as access classroom resources needed to support child's school work. Contact the high school office (218.386.6086) if you need help gaining logging in.

5

DO NOTS

Go here to pay fees, add money to your food service account, complete any permission slips or registrations.

INFINITE CAMPUS

1

WHAT DOES IT LOOK LIKE?

2

WHAT IS IT?

Is our Student Information System (SIS) - this is where attendance is taken, final grades are recorded, general student information is kept (medical, behavior, etc), and behind the scenes work like scheduling is done.

3

STUDENT USAGE

Students would rarely use, except for on eLearning days, they indicate their attendance through Infinite Campus.

4

PARENT USAGE

A hub for completing tasks related to various permission forms, paying fees (tech, piano lessons, etc), food service, field trip waivers, and visiting the school store.

5

DO NOTS

Use Infinite Campus for day-to-day monitoring of your child's grades. Grades in Infinite Campus only reflect final grades after posted.

SECURLY

Device management tool used to ensure student safety on school-issued technology. Securly allows teachers to monitor student devices in the classroom, directing them to websites and apps used for academic instruction. Parents are also able to monitor their child's school device usage through Securly, **restricting what can be accessed while at home** and reviewing use of device overall. Parents receive an auto-generated email to sign-up for Securly, and after doing so will be emailed reports related to child's device usage.

Warroad Payments

Warroad Payments is used for registrations and fee payments related to school activities, athletics, pool usage, and Community Education classes. Do not create an account; accounts are automatically created for all district students.
