The board is excited to join any staff that would like to have chats on Thursday, 02/15 @ 4:15 PM. The meetings are an effort to simply touch base with staff according to the talking points below.

**Meeting @ SHS: 4:15 PM Room A202 (MS Science) -**

BOE Members @ SHS: Jennifer Esch &amp; Heath Piper

**Meeting @ SES: 4:15 PM Library -**

BOE Members @ SES: Darrell Mackey &amp; Jeremy West

**Talking Points:**

What are two things that keep you up at night?

What are two things that you are very proud of about yourself, classes, or relationships at school?

What goals do you have this year that are working? Not working?

What supports or changes might be suggested? Which of those are board level details that could shape our conversations or actions?
