A sign-up sheet was provided at the entrance to the Board meeting for all persons wishing to address the Board. Comments are requested to be limited to five minutes per speaker. Patrons are invited to share comments with the Board in an orderly manner consistent with the respect and dignity that should be part of a Board of Education public meeting. The Board will require that speakers and audience members adhere to basic standards of civility, and, with limited time available, as the Board President, I may need to limit or terminate discussion to maintain decorum or to give as many people as possible the opportunity to speak. The Board will not take any action during this time. It is the preference of the Board that comments concerning District personnel be addressed in an executive session. Discussion of individual students must occur in the executive session. Please inform the Board if you intend to make comments concerning District personnel or students so that those comments may be heard in the executive session.*
