

To: Hays Middle School Parents and/or Guardians

Hays Middle School will be transporting our students and staff to FHSU to attend the basketball game on Tuesday, November 21, 2023. Students will be provided lunch, a snack, and drink while at the game. Money will not be necessary as concessions are provided. Please make sure students have their student IDs for lunch. Cell phones will remain at school. They will be returned to HMS prior to school dismissal and pick up location and time will not be changed.

They will be seated with their squad. K-5 school students will also be attending.

Also: HMS Stuco is having a KU vs. K-State Spirit Day this Friday, November 17th! Pick your team and show your support by wearing team colors or gear before the big football game on Saturday. Hats are allowed as long as they are KU or K-State related.
