Attn: 6th Grade Behavioral Health Toolkits

- The Society for the Prevention of Teen Suicide is providing Behavioral Health Toolkit: Guidance and Resources for Parents & Caregivers.
- This Toolkit was developed to support the journey of advocating for a youth with behavioral health concerns. Having a child who is struggling can feel overwhelming and, at times, isolating, but you are not alone.
- The Behavioral Health Toolkit provides information on common warning signs of surfacing mental health issues and how to access available resources. This toolkit will help to make clear the children's system of care and provide tips for navigation.
- Students in 6th grade will receive the kits in homeroom tomorrow.

Water Bottles

- There has been an increase in spills this school year compared to years past which has led to students and staff slipping and getting injured.
- We ask that students do not bring tumblers with straws to school. We prefer bottles that have a closing top.
- Students should only be drinking water. Juices, coffee, or tea are not permitted.

PTO

- Our Parent Teacher Organization supports our school community by helping with activities like the Fall Festival, treating for appreciation events and gifts, as well as offering teachers PTO mini grants they can use to enhance their classes.
- Consider joining the PTO by following these links: or [Give Butter](#).
