Interim Reports

- Interims will be posted in Genesis for students who are earning a D, F, or showing a downward trend.
- If your child receives an interim, please speak to them about their progress.
- Teachers will be meeting with students individually and setting goals with them. If your child receives an interim, you will receive an email with a summary of their conference with the teacher.
- Counselors will also be meeting with students who are in danger of failing and review their goals as well as offering supports.
- If you have any questions about the interims, please contact your child's teacher.
- To view the Interim Reports, log onto the Genesis Parent Portal. They can be found by clicking on the link "Please click here to view the IR1 for (student's name) in Edgar Middle School) in the Grading tab.

Respecting Differences

- As we navigate the complexities of adolescence, fostering a school environment where all students feel accepted and respected is of paramount importance.
- Recently, there have been concerning reports of rising anti-Semitic statements, highlighting the urgent need to equip our young people with tools for understanding and respecting diverse backgrounds and beliefs.
- Talking openly and honestly with your children about race and religion is crucial in shaping their worldview. Please take some time to speak to your child about acceptance and respecting others' differences.

Lost & Found

- Please remind your child(ren) to check the lost and found for lost items.
- The lost & found box is filling up.
- We will be donating any items left in the box at the end of January.

Aerosol Sprays

- Students should not bring any aerosol sprays to school. Deodorants and perfumes should be sticks or roll-on.
- Any aerosol sprays will be confiscated.
