FAQ’s

- **My course/teacher is not on the list; how can I find out if it is eligible for MC dual enrollment credits?**
Prior to applying, please confirm course eligibility with your teacher or guidance counselor. You may only register for eligible courses you are currently taking.
- **I can’t login to my MC self-service account; how can I get my account reset?**
Email MCCDE@middlesexcc.edu from your high school email account with your full name, address, and birthdate to request an account reset.
- **How can I find out if my course(s) will transfer?**
Check www.njtransfer.org for in-state public school transfer or reach out to college registrars at private and out-of-state schools to inquire. Transfer of MC DE courses is not guaranteed.
- **Why should I participate in dual enrollment?**
Dual enrollment can help students enrich their knowledge and advance academically. Students often participate to facilitate college readiness, improve content knowledge in a specific subject, explore areas of interest for potential careers, or advance to a higher-level course. Dual enrollment participation is positively linked with higher GPAs, and high school and college completion. Students can also save time and money toward degree completion. Participation is 100% optional.

MIDDLESEX DUAL CREDIT REGISTRATION IS DUE NO LATER THAN February 12th at 3PM. No exceptions will be made.
