

Fall Dual Enrollment registration is open from **9/8 - 9/26**.

To register for dual enrollment, please follow these instructions:

New dual enrollment students:

Complete the dual enrollment application and registration form [HERE](#) and submit by **midnight on 9/26**.

Step 1: Click the link above and select ‘Create Account’ from the top menu bar to create your account. This account is only for the application site. Write down your username and password in the event you have to log back in for corrections.

Step 2: Once your account is created, click ‘Create a New Application’ and be sure to select ‘Dual Enrollment Application.’ Proceed with entering your contact information. Be sure to always select ‘dual enrollment’ as your program of interest.

Step 3: Enter your relevant course information from the list below and submit your application.

Returning dual enrollment students:

Complete the Jotform [HERE](#) by **midnight on 9/26**.

Make sure you have your Middlesex College student ID number as it is a required field.

****Returning students only:** if you don’t know your MC ID#, please request it by emailing MCCDE@middlesexcc.edu. Be sure to email from your high school email account and include your full name, home address, and birth date. IDs will not be given over the phone or to a parent/guardian.*

A confirmation statement with login and payment instructions will be available for pick-up at your high school once registration is verified. **This process may take several weeks.**

Cost: **\$135** per course

FAQ’s

My course/teacher is not on the list; how can I find out if it is eligible for MC dual enrollment credits?

Please check with your teacher or guidance counselor if you don't see your course listed.

I can't login to my MC self-service account; how can I get my account reset?

Email MCCDE@middlesexcc.edu from your high school account with your name, address, and birthdate to request a reset.

How can I find out if my course(s) will transfer?

Check www.njtransfer.org for in-state public school transfer or reach out to college registrars at private and out-of-state schools to inquire. Transfer of MC DE courses is not guaranteed.

Why should I participate in dual enrollment?

Dual enrollment can help students enrich their knowledge and advance academically. Students often participate to facilitate college readiness, improve content knowledge in a specific subject, explore areas of interest for potential careers, or advance to a higher-level course. Dual enrollment participation is positively linked with higher GPAs, and high school and college completion. Students can also save time and money toward degree completion. Participation is optional.
