

## PTA Membership: It's Priceless

**Did You Know...** The PTA is the largest volunteer association in the United States devoted solely to the welfare of children. Together we are a powerful voice for children. With your help, we can continue to work toward PTA's goal of a quality education and nurturing environment for every child. Thank you to everyone who became a Charleston Joint PTA member this past year. We look forward to your continued support, and welcoming new members during the upcoming school year.

### PTA Mission:

To make every child's potential a reality by engaging and empowering families and communities to advocate for all children.

### About the Charleston Joint PTA:

Anyone can join the Charleston Joint PTA – mom, dad, grandparent, aunt, uncle, community member, etc. Yearly *membership dues are only \$10.00/person*. Joining the PTA is a great way to show your support to our schools and children. It is important to remember that joining the PTA does NOT commit you to volunteering, participating in activities at the school, or attending PTA meetings. Your dues simply show your support for the PTA on the local, state, and nation level.

### Charleston Joint PTA Executive Board:

If you choose, you could also become an executive board member. Executive Board Members work with other Charleston elementary schools parents, teachers, and principals to plan classroom parties, coordinate in-school book fairs, arrange Teacher Appreciation Week, organize events, and help implement informational programs and workshops for all parents, teachers, and the community. Making these great activities a success for our children requires teamwork and dedication. As a member of the PTA Executive Board, you would attend monthly evening meetings. These meetings are your avenue for planning and implementing all the great activities PTA provides!

### Ways the Charleston Joint PTA Benefits our Three Elementary Schools:

- Field Trips • Mini-Grants for Teachers • Incentives for Students • Art Supplies • PE Supplies • Music Supplies • Materials for School Library • Playground Safety Updates •
