

Kids Heart Challenge™ is Here!

Help us Save Lives by following these 3 steps:

STEP 1 – Download the AHA Schools APP and **click Register Now** and then **Find Your School** to register for your school's 2024 event

STEP 2 – Send 10 texts to family and friends tonight by selecting the

Icon on your phone

STEP 3 - Be a Heart Hero and Complete Finn's Mission to learn TWO lifesaving skills tonight!

If you have more than one student to register, follow these additional steps:

After registering the first student, please log out of the first student's account, then click Sign up to follow the same process.

- Each student must have a separate username.
- You can have the same overall parent email address and password for multiple accounts.

**Thank you so much for supporting our school
and the American Heart Association**
