

Carl Sandburg parents and staff:

We would like to thank each of the parents, students and staff of Carl Sandburg Elementary for the continued support in letting Gaines Photography offer our school services to you the families. We understand there was a misspelling of the school name on the cover of the yearbook distributed to each of the families that purchased. We plan to have a new yearbook printed correctly and distributed in the coming week. If you would like to order the yearbook and haven't please call our office at 217-234-7555.
