Website: <https://strengthinpeers.org/>

Mission: We offer hope, support and advocacy for those seeking recovery so that we can build resilience and thrive in our lives and communities.

Assistance: The Side-by-Side Recovery Program provides comprehensive recovery support services to adults who are struggling with substance use, mental health and/or trauma related challenges. Services include case management and individual peer support. Telecounseling and telepsychiatry are also provided through our partners. Eligibility is limited to adults under 200% of the Federal poverty level who are on Medicaid, uninsured or underinsured.

Online peer support groups and workshops include SMART Recovery, Wellness Recovery Action Plan, and Anger Management. Groups are open to all adults regardless of income or insurance. The full schedule is posted on the website. The Comprehensive Harm Reduction program helps individuals who are still using drugs do so more safely and helps prevent the spread of HIV, Hepatitis C and other blood borne diseases.

It provides needle/syringe exchange, naloxone, fentanyl test strips, rapid HIV and Hepatitis C testing, and information about accessing various types of recovery support if and when participants are ready. All services are free, confidential, and non-judgmental.
