

Use of Student Photographs and Personal information

The publishing of student photographs and personal information in school yearbooks, county/school webpages, newspapers, news pamphlets, or on the Internet is at the discretion of the parent or guardian of the student. The purpose of these publications is for recognition of accomplishments and awards given by the state, county, and school systems. Personal information such as home address or home telephone will never be included in these publications.

A parent or guardian of each student will be asked each year to give permission for the publishing of student information in school publications.
