4. January 2024 Expenditures

End of Consent Agenda

**Oakridge Board of Directors
Regular Meeting Minutes
March 11, 2024
6:00 p.m.**

1. Call Meeting to Order

Present: Director Pope, Vice-Chair Hardy, Director Samuelson, Director Curtis, and Director Wright. Director Pope called the Regular meeting of the Board of Directors to order at 6:00pm. Director Pope led with the Pledge of Allegiance. Principal Kivett excused – supervising another meeting in the OJSHS Auditorium.

2. Changes to the Agenda

No changes to the Agenda.

3. Announcements/Correspondence

**3.1 Recognition – Oakridge school District Girls’ Basketball Team
Oakridge School District Wrestlers**

Oakridge School District Girls’ Basketball team, Oakridge School District Wrestlers, and their coaches were invited to the Board Meeting along with their coaches to be recognized for their hard work this season. Kaden Tiller, Vanessa Keller, and Kali Williams won State Championships, Lee Brainard placed 3rd in his division and Emmalee Brissette took 4th place. Victoria Keller and Rowdy Williams both won Junior High State Championships. The Oakridge School District Girls Basketball team finished 4th in State; the highest standing in the school’s history. Sadie and Jade Snyder were named to the All State – 1st Team.

4. Public Comment

Director Pope called for Public Comment. No Public Comment.

5. Action Items

5.1 Consent Agenda (Action)

Vice Chair Hardy moves to approve the Consent Agenda

Director Curtis seconds the Motion

Motion passes with all Directors voting Yes.

5.2 Curriculum Postponement (Action) - Superintendent McGrath asks for approval of postponement requests for Science, ELA, and Math due to the District being out of cycle and to come into compliance with ODE requirements. Material that was chosen will be on display March 18-22 8am – 4pm and on March 20 from 8am – 7pm.

Vice-Chair Hardy moves to approve the Curriculum Postponement

Director Samuelson seconds the Motion

Motion passes with all Directors voting Yes.

6. Information Reports

6.1 Superintendent Report –

Superintendent McGrath shared March enrollment numbers: Total 2023-2024 SY – 491 compared to the 2022-2023 enrollment of 501. A Pallet Jack has been generously donated by Pape' Machinery! They had an excess and reached out to ask if the District could use it. The District was awarded \$15,250 to cover the cost of training teachers to train staff in non-violent crisis intervention methods. This covers costs associated with training. The expectation is that once a teacher is trained as a trainer and will come back and train three additional teachers. Shared photo of one of our OES teachers working on curriculum mapping during her niece's wrestling tournament; another example of our hard-working teachers! Construction project is moving along. Hyland put out announcement to contractors to come to the schools and bid. Contractor was very impressed by the sub-contractors who showed up. A big thumbs up to everyone who is working hard to get things done!

6.2 OES Report –

Shout-outs to Classified Staff and all the great work they do to help teachers and students. Last week was Classified Appreciation Week, celebrated with donuts, lunch, and treats throughout the week. Monster Cookie fundraiser was huge success. Raised approximately \$4,000 which will help with upcoming activities. Volunteers helped to distribute the 400 tubs of cookie dough and the top three sellers earned prizes and a certificate to buy books at the Spring Book Fair. Leap year came on the 29th this year along with the snow and staff and students wearing their favorite crazy hat! Title 1 money helped with flashcards for Sweet Math Night and a second family night in March was Read across America Night. Approximately 50 to 70 people showed up for both nights. School Bus Appreciation Day for a job well done! Attendance Bowling activity; kids that only missed 0-2 days from beginning of school got to attend and had a great time! Teacher observations are wrapping up and Evaluations will be completed. Willamette Youth Basketball finishes up on March 16. 4th graders visited the local museum and the Forest Service and Smokey Bear visited 1st and 4th grade classrooms. Kids in the Garden begins soon in the 3rd grade classes.

6.3 OJSHS Report –

Superintendent McGrath presented for Principal Kivett who was supervising another meeting. OJSHS teachers Amy Bradley and Beanne Bakken and students attended Future Forestry Workers Career Day on February 23. Students learned about forestry, reforestation, logging, trucking, diesel mechanics, operating heavy equipment, and firefighting as well as talking with industry professionals to see what opportunities are available to them. Student/Staff Volleyball Game was played on February 28; It was a fun event to build strong relationships with students. Eight staff and 20 8th graders participated and OJHS students set up, refereed, dressed as cheerleaders, and announced the game. Oakridge Girls Basketball team played in the State Tournament in Pendleton and placed 4th! Coaches Rachael and Chad Keys are doing a great job. Students, Staff, and Community members are all meeting on March 18 to discuss Portrait of a Graduate where data will be collected and analyzed to identify a broad consensus of priorities. There are new 3D printers in Thomas Harvey's classes. Students are working in coordination with Kathy Pounds' elementary music classes to program and print plastic instruments

according to their designs. New employee, Austin Ainsworth has joined OJSHS as the Youth Crew Leader; and OJSHS SPED EA Stephanie Sayre has been hired as the Intervention EA. OJH Students of the Month, Grant Hillman, Aubree Ansel, Emmalee Ross and David Munford and OHS Students of the Month Kali Williams, Kenny Briggs, Max Maher, and Holly Wilder were celebrated. Winners will receive a certificate, \$20 Warrior Bucks, a \$10 local gift card and a 5-minute early release to lunch each Wednesday for a month. Theme for the month is – Refreshing! No more snow, coming out of the rainy season; getting refreshed for the rest of the year.

7. Unfinished Business

7.1 Policies (1st Read/Action) – Policy DID

Discussion – Intent of policy is to provide for an accurate inventory and properly maintained records of all District equipment of property. Anything with a capital outlay (Equipment worth of over \$5000, i.e. refrigerators, copy machine etc.) will be inventoried. 1st read was at tonight’s Board meeting; Will bring policy back in April to adopt. The policy is required by ODE and the Federal Government. The adoption of the policy came up when we had ESSER II money and the District had not adopted.

7.2 Strategic Planning Update– Decision was made by the Board to hire outside the District to help with creating a Strategic Plan which will lead to the Board’s Mission Statement.

8. New Business

8.1 Book Study Discussion –Board discussed Chapter 9 of “Engage Every Family” which covered Communication and Inclusion. Discussed the difficulty of letting parents and community members know what is happening in the District. E-mails and texts should go out to everyone. Principal Maher suggested thinking back on when the District was going to do the Bond. Information went out multiple ways; telephone calls, letters, signs on the Highway, knocking on doors; all hands were on deck. Over the next two or three years the FRC will be an important key to informing student, parents, and community members. Will review Chapter 10 at the next Regular Board Meeting on April 8, 2024

9. Next Meeting

Next Regular Board meeting will be held on April 8, 2024 at 6:00 p.m.

10. Executive Session

Adjourned Regular Meeting at 7:24 pm. Executive Session began at 7:24pm and adjourned at 8:00pm. Returned to Open Session at 8:00pm

11. Adjourn

Adjourned Regular Meeting at 8:01pm

APPROVED:

CSK

Board Chair

Superintendent

Review of Expenditures for January 2024 Correction

Our total operating budget for 2023-2024 is \$21,450,624

We spent \$586,744 to operate the month of January. That is 2.7% of the total District operating budget. This total includes all expenditures including payroll.

Through January 31, we have encumbered and expended \$6,563,956 from a General Fund budget of \$9,967,354. This represents 65.8% of the General Fund budget. *

Through January 31, we have expended a total of \$3,687,646 from the General Fund, which represents 36.9%

*Although we are 7 months into the fiscal year, as of January 2024 we have encumbered and expended 65.8% of the General Fund. However, it is important to remember that encumbrances include financial obligations. This primarily involves purchase orders awaiting delivery and unexpended salary through June 30, 2024 for licensed staff, i.e. summer checks.

	PE Equipment - Volleyballs	6	Discard			
	PE Equipment - Basketballs	10	Discard			

Oakridge School District 76

"Schools and community partnering to prepare students for a productive citizenship."

Dave McGrath
Interim Superintendent
76499 Rose St.
Oakridge, Oregon 97463
dave.mcgrath@oakridge.k12.or.us

April 8, 2024

Parents and guardians of Oakridge School District ("OSD") Students: Please see the required annual notice below, regarding the District's compliance with SB 1552 regarding the district short-acting opioid antagonist school practices.

(4)(a) A school district [board] shall provide to the parent or legal guardian of each minor student enrolled in a school in the school district information regarding short-acting opioid antagonists. The information described in this subsection must include at least:

(A) A description of short-acting opioid antagonists and their purpose;

Short-acting opioid antagonists are medications designed to quickly reverse the effects of opioids in the body. They bind to the opioid receptors in the brain, displacing any opioids present and blocking their effects. These antagonists are typically used in emergency situations, such as opioid overdose, to rapidly restore normal breathing and consciousness.

The purpose of short-acting opioid antagonists includes:

Overdose Reversal: The primary purpose of short-acting opioid antagonists is to reverse the life-threatening effects of opioid overdose. Opioids, such as heroin, fentanyl, or prescription painkillers, can suppress breathing and lead to respiratory failure, coma, or death. Administering an opioid antagonist promptly can counteract these effects and restore normal breathing, potentially saving the person's life.

Emergency Treatment: Short-acting opioid antagonists are used in emergency medical settings, such as hospitals and ambulance services, to treat opioid overdose quickly and effectively. Time is crucial in such situations, and these antagonists provide a rapid response to counteract the overdose effects.

Preventive Measures: In some cases, short-acting opioid antagonists may be administered as a preventive measure in high-risk situations, such as when individuals with a history of opioid abuse are prescribed opioid painkillers. Providing access to these antagonists alongside opioids can help mitigate the risk of overdose.

Research and Clinical Studies: Short-acting opioid antagonists are also used in research settings to study opioid addiction, overdose, and potential treatments. Clinical studies may investigate the efficacy and safety of different antagonist formulations or delivery methods.

Examples of short-acting opioid antagonists include naloxone and naltrexone. Naloxone is particularly well-known for its ability to rapidly reverse opioid overdose effects and is commonly used by emergency medical personnel, law enforcement officers, and bystanders trained in opioid overdose response. Naltrexone is also used in the treatment of opioid addiction but has a longer duration of action compared to naloxone. These medications play a crucial role in addressing the opioid crisis and saving lives threatened by opioid overdose.

(B) A statement regarding, in an emergency situation, the risks of administering to an individual a short-acting opioid antagonist and the risks of not administering to an individual a short-acting opioid antagonist;

In an emergency situation involving a suspected opioid overdose, the risks of administering a short-acting opioid antagonist, such as naloxone, to an individual must be weighed against the risks of not administering it.

The risks of administering a short-acting opioid antagonist include:

Precipitating Withdrawal Symptoms: Administration of naloxone can rapidly reverse the effects of opioids, potentially causing the individual to experience withdrawal symptoms such as agitation, nausea, vomiting, sweating, and increased heart rate. While withdrawal symptoms are uncomfortable, they are generally not life-threatening.

Potential for Agitation or Violence: Some individuals may become agitated or hostile upon awakening from opioid overdose reversal, particularly if they were using opioids in combination with other substances. This could pose risks to both the individual and bystanders.

Underlying Medical Conditions: There may be underlying medical conditions or complications that are not immediately apparent, and administering naloxone could exacerbate these conditions or complicate subsequent medical treatment.

On the other hand, the risks of not administering a short-acting opioid antagonist are far more severe and may include:

Respiratory Depression and Respiratory Arrest: Opioids can cause severe respiratory depression, leading to respiratory arrest and ultimately death if left untreated. Naloxone rapidly reverses opioid-induced respiratory depression, restoring normal breathing and preventing fatal outcomes.

Loss of Consciousness: Opioid overdose can result in loss of consciousness and coma, which can lead to aspiration, airway obstruction, and other complications. Administering naloxone can rapidly restore consciousness, allowing for proper airway management and medical assessment.

Brain Damage or Death: Prolonged lack of oxygen due to opioid-induced respiratory depression can result in brain damage or death. Time is critical in such situations, and delaying administration of naloxone increases the risk of irreversible harm.

In summary, while there are potential risks associated with administering a short-acting opioid antagonist in an emergency situation, the immediate dangers of untreated opioid overdose far outweigh these risks.

Administering naloxone promptly can save lives by reversing respiratory depression and preventing potentially fatal outcomes.

[(C) A statement that all schools within the school district have access to short-acting opioid antagonists and the necessary medical supplies to administer the short-acting opioid antagonist on site; and]

All schools within the school district are equipped with short-acting opioid antagonists, such as naloxone, and have access to the necessary medical supplies and training to administer these medications on site in the event of an opioid overdose emergency. This proactive measure ensures the safety and well-being of students, staff, and visitors by providing prompt and potentially life-saving intervention in cases of opioid overdose within school premises.

(C) A statement identifying which schools, if any, in the school district will have short acting opioid antagonists, and the necessary medical supplies to administer short-acting opioid antagonists, on site and available for emergency situations; and

In our school district, both schools (**Oakridge Junior-Senior High School and Oakridge Elementary School, as well as the District Office**) are equipped with the short -acting opioid antagonist, naloxone. In addition, they have access to the necessary medical supplies and training to administer these medications on site in the event of an opioid overdose emergency. This proactive measure ensures the safety and well-being of students, staff, and visitors by providing prompt and potentially life-saving intervention in cases of opioid overdose within designated school premises.

(D) A statement that a representative of a school may administer to a student a short-acting opioid antagonist in an emergency if the student appears to be unconscious and experiencing an opioid overdose.

In the event of an emergency where a student appears to be unconscious and experiencing symptoms consistent with an opioid overdose, a representative of the school, such as a trained staff member or school nurse, is authorized to administer a short-acting opioid antagonist, such as naloxone. This proactive measure is in place to ensure the safety and well-being of students, providing immediate intervention to potentially reverse the effects of opioid overdose and prevent further harm.

Hoots and Looking Glass

Helping Our Teens in Schools

— Helping Our Teens in Schools “HOOTS”

[HOOTS | Facebook | Linktree](#)

The HOOTS model

- We always work in teams of two!(QMHA) & Nurse/Medic (EMT)
- We only work in high schools with teens 14 & up
- Provide a free, confidential & voluntary service
- Our services are accessible through low barrier referrals
- See ourselves as a bonus support within a school system
-

Why students might see HOOTS for Counseling

- Talk with someone who is not involved in the school.
- Crisis happening and need someone to talk to
- Medical issue, checked out and referrals to doctors
- Comfort with the Hoots people. They are young they look like me.
- Mental Health concerns and referrals
- Family concerns
- Peers issues
- Safe place to talk
- Help with signing up for Oregon Health plan, and DHS services.

Procedures to see HOOTs

- Under 14 need a consent form signed by parents. Students above the age of 14 are allowed by state law to self select if they would like to see HOOTs.
- No one is forced into counseling with HOOTs.
- Counselors recommend students who may need help.
-

Dez

they/them
Medic

Howdy, I'm Dez. When I am not working for HOOTS, you can find me in the forest backpacking in hopes to find Sasquatch. Otherwise, I am at home watching TV with my two cats-Jax and Jeuno, my bearded dragon-Aflac, and my hermit crab-Alfalfa. I originally hail from California but moved to Oregon to escape the heat (and my parents). I became an EMT in 2019. Since then, I have found the passion to help marginalized folks get their basic needs met, whether it be housing stability, gender-affirming healthcare, systemic injustice, or basic first aid. If you forget my name, it is okay to describe me as "that one Medic with lots of tattoos".

REBEKAH

they/them
Crisis Worker

I'm Rebekah. I'm just trying to be okay and to live a life of integrity (whatever that means) in this big and weird world where we exist together. I'm way into food -- growing it, harvesting it, eating it, making it -- extra especially cake. I like to sleep and walk and read and dance, and my friends are my family. I come from New Jersey, by way of Chicago, but live here now.

Looking Glass

Working with the School to provide services for students and families within the community:

- Shelter for unhoused students, family mediation
- Substance Abuse
- Assistance to survivors of sex trafficking

SUPERINTENDENT'S REPORT

School Nurse
Finally!
Starting this week

ESSER III Construction Update

*Sub-Contractor walk-through on March 22nd

*Contracts awarded by Hyland Construction

*Bell Hardware has been on-site to develop initial door/access plan

*Asbestos abatement plan for OES gym floor has been developed

*Update - OES gym

Passion Project Updates

- Thomas Harvey –
18 unit locker shelf
- Jordan Dappert –
Library Box Houses
- Amber Meske
*My Dragon Books and
Gaga Ball Pit*

Metal Shop 18-unit Locker Shelves – Thomas Harvey

Library Box/Houses-Jordan Dappert

- Locations approved: OES, Westridge, School Street
- Working with 1st graders April 15-18. Students will paint the pieces in small groups
- Owner of saw mill will be presenting a lesson on how the mill works
- After final pieces are purchased (roofing material, plexiglass, hinges) boxes will be put together and brought back to classes to see finished product

“My Dragon” Books - Amber Meske

Series of children’s books that effortlessly teach social-emotional learning with topics including, Self Esteem, Manners, Patience, Conflict Resolution, Lying, Sportsmanship, Hygiene, and Personal Space. These stories have been easily tied into Health lessons.

Gaga Ball Pit – Amber Meske

Gaga Ball Pit has been a huge hit! – Great activity when it's rainy outside. PE Teachers Amber and Jerica have seen full student participation, cooperation and joy during game play!

Shout Outs!

School Board

TINA MAHER

APRIL 8, 2024

Shout Outs

- ▶ Joey Brissette, he will be our school district state testing coordinator. He has attended trainings to help him, put on staff trainings and working with ODE to make sure our district is doing all the right things.

What is happened at OES?

100's Day

Spring pictures

Safe routes to school, learn to ride bikes, kindergarten and 1st grade

2nd grade field trip to U of O museum

Capitol Dental checked 58 students. All received fluoride treatments and 17 had early dental findings

Charger made a visit to the Westfir Easter egg hunt

Oregon Dairy Ambassador Princess spoke in 3rd and 4th grade classrooms

100's Day

Safe Routes to School

Final days of Bikes

More at OES

Board Report: April

Kyle Kivett • 4.8.2024

Overview

Review

- Graduate Portrait Focus Groups
- Music Department concert
- Staff vs. Student basketball game
- Site Council

Preview

- HB 4082
- Career Fair
- State Testing/Spring Conferences

Celebrations

- Classwork

Review

Graduate Portrait Focus Groups

- 9th, 10th, 11th, 12th grades, staff, and the community were all given the opportunity to voice their priorities
- This data will be analyzed and used to help create a draft proposal that will then be shared with these same groups to determine if it sufficiently captures these priorities

Review

Music Department Winter Concert

Review

Staff vs. Student basketball game

- Fun event on March 21 to build relationships
- 12 Staff & about 20 students participated
- JV teams (staff & student) alternated quarters with Varsity
- Staff took a commanding lead in the first quarter and survived a great comeback attempt in the 4th quarter led by Jamie Roach

Review

Site Council

- Re-instituted after a hiatus
- Small group so far, but 2 parents and 2 staff members committed to growing it
- Focused on identifying primary goals:
 - Curriculum Handbook/Course Catalog
 - Improving Communication between school and parents

Preview

Summer Learning Grant (HB 4082)

- Application opened April 2, must be submitted by April 12
- \$112,000 for our district (“guaranteed” with completed application)
- Staff met April 5 to brainstorm and plan:
 - Credit Recovery
 - Literacy-focused
 - Grade transitions
 - Arts/Hands-on
 - Partnerships
 - Field trip(s)

Program Purpose and Goals

The overall purpose of this grant is to accelerate learning to increase academic growth and achievement.

1. Academic Enrichment

- Must align to state content standards in math, science, language arts, personal financial education and may assist with credit recovery
- May assist with school transitions (incoming kinder, to 6th grade, to and from high school)

2. Youth Development

- Hands-on, inquiry-based, and project-based learning which may include access to the arts
- Support students' mental, emotional, and social well-being

3. Equitable Access and Family Partnership

- Culturally and linguistically responsive

Preview

Career Fair

- Organized by Counselor Tammy Scott & Youth Crew Leader Austin Ainsworth
 - Business & Industry
 - College & University
 - Military
- April 18

State Testing

- District Testing Coordinator Joey Brissette
- April 22 - May 31 (including makeups)

Spring Conferences

- April 25 (evening conferences)
 - Project/In-Process Night
 - Shop tours, recent/current class work
- April 26 (daytime conferences)

Celebrations

Below: A student-built shelving unit in Mr. Harvey's room for them to store their portfolios, shop gear, and other works in progress.

Above: Ms. Molaski helps her students "bone up" on the skeletal system in her Freshman health class.

Celebrations

*National Honor Society
spent a Friday morning
touching up paint
throughout our hallways.
Thanks to the students for
their service and to Ms.
Cailey Sokolowski for her
leadership of the group!*

Theme for the month:

Endurance

Oakridge School District No. 76

Code: **DID**
Adopted:
Revised/Readopted:
Orig. Code(s): **DID**

Property Records and Inventory

The Board recognizes that efficient management and effective provision for full replacement upon loss requires accurate inventories and properly maintained records of all equipment and properties, whether located in the Oakridge School District central office or at other Oakridge School District Buildings and program sites (the "District").

The intent of this policy is to provide for an accurate inventory and properly maintained records of all District equipment and property.

The inventory of all capitalized items will be maintained in accordance with the procedures required by auditing standards and will be utilized to determine replacement value for insurance purposes.

Inventory records for items owned or leased by the District which have a value less than the capitalization level and which otherwise would be defined as equipment will be maintained by each service area director in accordance with procedures to be established by the superintendent.

Definitions as used in auditing standards are as follows:

1. **Cost:** The original acquisition price of an asset. The cost includes installation cost paid, freight, taxes and related costs;
2. **Specific asset (control asset):** An item with a value greater than the capitalization level that is a distinct unit of property such as desks or typewriters;
3. **Building improvements:** The replacement or major renovation of existing building elements such as carpets, air conditioners, new roof. Items not included are repairs to maintain the condition of an asset and cost less than \$5,000;
4. **Class items:** Items that are individually under the capitalization level but when combined are over the limit and meet the equipment definition;
5. **Capitalization level:** The minimum dollar amount to capitalize. The capitalization level for the District shall be \$5,000;
6. **Leased assets:** Assets being purchased under a lease purchase where title to the assets may pass to the at the end of the lease. If an item is acquired in installments, the total of the installments less interest is to be used to determine if the item should be capitalized;

7 Equipment is defined as follows:

- a. It has anticipated useful life of more than one year;
- b. It is of significant value (\$5,000 minimum except for certain class items);
- c. It retains its original shape and appearance with use;
- d. If damaged it is usually more feasible to repair it than to replace it;
- e. It does not lose its identity through incorporation into a different or more complex unit.

The superintendent shall periodically conduct a complete inventory by physical count of all District-owned equipment and properties.

The superintendent shall maintain a system of property records which shall include all descriptive matter required by law and by commonly accepted auditing standards.
