

**PARK COUNTY SCHOOL DISTRICT #6
BOARD OF EDUCATION POLICY**

CODE: BDD

BOARD AND SUPERINTENDENT RELATIONSHIP

The Board believes that the development of policies is an important function of the Board and that the execution of the policies should be the function of the Superintendent.

Delegation by the Board of its executive powers to the Superintendent provides freedom for the Superintendent to manage the schools within the Board's policies and frees the Board to devote its time to policy making and evaluation functions.

The Board holds the Superintendent responsible for the administration of its policies, the execution of Board decisions, the operation of the District, and for keeping the Board informed about school operations, issues and highlights.

The Board shall strive to procure, when a vacancy exists, the best professional leader available for the chief administrative post. The Board shall:

- Give the Superintendent full administrative authority for properly discharging their professional duties;
- Consider the recommendation of the Superintendent in matters of employment or dismissal of school personnel;
- Hold meetings of the Board, in the presence of the Superintendent, including executive sessions when appropriate;
- Refer all complaints to the Superintendent or appropriate administrator for administrative solution or recommendation prior to board action;
- Provide adequate support to the Superintendent so they can perform their prescribed duties to the best of their ability.
