September 2023

Good afternoon,

New Jersey school districts, charter schools, and renaissance school projects are required by statute (*N.J.S.A.* 18A: 7C-6.6) to annually notify parents or guardians by October 1 of any statewide student assessment or commercially-developed standardized assessment that will be administered over the course of the school year. If after October 1 it is decided that an additional commercially-developed standardized assessment will be administered, then the information shall be shared with parents as soon as possible (within 30 days of receipt of final reports for statewide assessments).

To that end, please reference the table below, which details the assessment schedule for standardized assessments administered in HVRSD this year. Date ranges are provided when specific details have not been finalized. Specific dates and times will be communicated with families for relevant testing events as they become available.

Thank you for your support of our instructional programs and please do not hesitate to reach out with any questions.

Sincerely,

Dan Umstead
