

IT'S TIME FOR OUR ANNUAL
STONY BROOK ELEMENTARY
SCIENCE FAIR!

SATURDAY, MARCH 23, 2024

PreK-2nd Grade: 9am-10am

3rd-5th Grade: 11am-12pm

IN THE STONY BROOK CAFETERIA

The Stony Brook Science Fair is a non-competitive celebration of science for our All Stars!

To participate, students should complete a science fair project at home
and prepare a presentation about their work.

If at-home projects aren't your thing, we're happy to also offer a STEM Challenge activity
with SB Teacher Mrs. Hammill.

Visit our Science Fair website for all the details:
