

6014
School Attendance on Days of Scheduled Activities

Students who are absent from school for more than one half of the day or four class periods will not be permitted to participate in an extracurricular contest, practice or performance unless the student's parents have, informed the building principal in writing prior to the absence, and the Principal has given permission to participate despite the absence.

Students, who are ill, are encouraged to remain home, and recover from the illness before returning to school or activities to reduce exposure to staff and students at school. Students who leave early from school for illness will not be allowed to return to school and participate in any activities.
