Re: Meeting between Representatives of the Town and School District

Dear Ken,

I am writing to request a meeting between representatives of the Town and the School District to discuss certain issues of great importance to the children and tax payers of both of our governmental entities. As you know, our attorneys have recently discussed information regarding the demographics of the Tuxedo Farms development plans and the cost considerations of the potential use of the 40 acres that the developer is expected to deed over to the School District for constructing a high school building on that property.

While we originally envisioned a meeting of the whole boards, both the Town and School District attorneys confirmed that an executive session could not be held to discuss these concerns. Accordingly, I ask if we could have a private meeting that would include the two of us, the Board of Education President and, if agreeable, attorneys to discuss these concerns. If there is/are another party/parties from the Town or District who would not create a violation of the open meetings law based upon their presence, please understand that would be perfectly acceptable to the School District.

Since the time is drawing near when final approval of the Tuxedo Farms project will be before the Town Board for action, please consider time to be of the essence in having this meeting. Your immediate response would be greatly appreciated.

Sincerely,

  
Jeffrey T. White
