

Tuxedo Union Free School District

6410 & 7315 Acceptable Use Policy

This AUP is applicable to all Users of District Technology and Data, including all students, staff, board members, volunteers, vendors, and visitors who are authorized to access District Technology and Data. All use of District Technology and Data is subject to this AUP and the District Code of Conduct, regardless of whether such use occurs at school or outside of school. Pursuant to the Code of Conduct and this AUP, all Users of District Technology are required to conduct themselves in a responsible, decent, ethical and polite manner.

The Superintendent working in conjunction with the District's Director of Technology ("DOT") shall prepare an appropriate Regulation to define the specific acceptable uses of District Technology and Data (the "AUP Regulation"). The AUP Regulation shall be made available to all Users, who shall be required to acknowledge receipt of and agree to comply with the AUP Regulation before being provided access to District Technology and Data.

Any violation of the AUP Regulation may be grounds for discipline, which may include termination of access to District Technology and Data or other appropriate sanctions under the circumstances.
