Note: Home Education Students enrolling in district schools will be placed in grades according to Martin County School Board Rule, 5410 The Student Progression Plan. In addition, Home Education students enrolling in a district high school must have all course work validated, by any of several means, according to district policies, including SBR 5410. In order to receive a diploma from the district, a Home Education student transferring into the Martin County School District must be enrolled during their last academic year prior to graduation and must have a course schedule containing all remaining graduation requirements, signed affidavit of completion (notarized letter) submitted by the student's parent attesting that the student has completed a home education program, pursuant to the requirements of s. 1002.41 F.S. is the legal document of completion. As stated in s. 1007.263(2)(a), F.S. It is equivalent to a high school diploma and is regularly accepted by state colleges and universities as proof of high school completion. The Student Progression Plan Outlines that student may also enroll in one (1) or more courses provided by the district for students in grades K through 12 based on available space, not to exceed greater than half of required coursework.
