BUSINESS INDEPENDENT STUDY: Management, Business Law, International Business, Banking & Finance, Keyboarding,

Job-seeking Skills, and Business Communication are available any period with instructor approval

Online Classes may be explored with the approval of the principal at the student's expense.

Students must earn a C in core required classes to meet college entrance requirements. Check college entrance requirements!

Students are required to pass Essential Skill requirements per ODE in Reading, Writing and Math.

Schedule may change due to student interest and/or funding.

These are not available for 7-12 students

CCN: College Credit Now dual credit from Chemeketa Community College may be earned for these courses.

Teacher Aide, Yearbook, and Office Assistant are available one period per day with approval.

Willamette Promise Opportunities for the 2023-2024 school year:

The St. Paul School District is a part of the Willamette Promise brought to us in conjunction with the Willamette Educational Service District. We are able to provide more college credit opportunities within our student's current high school courses. Please encourage your student to look into this outstanding opportunity. Classes designated WP indicate Willamette Promise college credit opportunities.

INTERNSHIP - We will offer a limited number of slots for a work experience/internship with local businesses.

We begin taking applications and place students at the start of school. Available to juniors and seniors.
