

## **CWC SPORTS REGISTRATION/SPORTS PHYSICAL INFORMATION**

Attention parents of athletes in grades 5-12 who plan to try out/play a sport in the 2025-2026 school year, please see the information below regarding sports physicals and registering your athlete for sports.

We have changed providers for our sports registration and sports physical tracking. The new provider is Eventlink. Please register your athlete on Eventlink for the new school year using the instructions in the link below. If you already have an Eventlink account, you can register your student under the registration tab on a desktop computer or via the Eventlink app.

All 6th grade and 9th graders must have an Illinois Department of Health Physical (form linked below). This physical will meet the requirements for both the required school physical and required sports physical for athletes.

All other grades should have a regular sports physical (form linked below).

All high school sports physicals should be turned into Mr. Wolff in the High School Athletic Office. If you want to turn in your sports physical before July 28th, please contact the office at 618-382-4661 to ensure the office is open.
