

morning drop-off

- ① Family vehicles should arrive and depart via Sparks Drive to the south.
- ② Queue vehicles to the right, to allow for one queue lane and one travel lane. If the line extends to the school driveway, please pull forward into the parking lot, and park in an open space; do not queue onto Boardwalk Way.
- ③ Proceed forward until you reach the unloading area; pull as far forward on the curb as possible.
- ④ Drop off students in the unloading area ONLY, from ③ to ④ on the map.
- ⑤ Do not drop off in the visitor parking areas, unless you park and walk your student(s) to the school.

Always follow directions given by staff at crosswalks and in the parking lot.

Obey the 20mph speed limit when children are present.
