

♥ We Miss You When You're Not Here—YOU Belong at Lexington Elementary! ♥

At Lexington, we believe every student deserves to feel connected, supported, and ready to learn—and regular attendance is a big part of that! Sometimes, getting to school isn't as easy as it sounds—we understand! As part of the Attendance Team at Lexington Elementary, we're here to help.

Facing challenges that make it hard to get to school? Whether it's transportation, morning routines, school anxiety, or something else- let's work together to find solutions. We're here to support, not to judge, because your family is an important part of our school community!

Reach out anytime—together, we can make school a place your child is excited to be. Our contact information is on the second page. 😊

Warm regards,

You Lexington Elementary School Counselors

Come to School! *(Tune: Jingle Bells)*

(Chorus)

Come to school, come to school,
Please be here every day!
Learning, playing, having fun,
It's the Eagle way—hey!

Come to school, come to school,
We miss you when you're gone!
Every day is better when
You join us all day long!

(Verse 1)

When we're here, we learn and grow,
We're smart in all we do!
School will help us with careers,
And dreams that can come true.

When we miss a day or two,
It's harder to catch up!
We might feel stressed or left behind,
And that can be so tough—hey!

(Chorus)

Come to school, come to school,
Please be here every day!
Learning, playing, having fun,
With friends in every way—hey!

Come to school, come to school,
We miss you when you're gone!
Every day is better when
You join us all day long!

Verse 2:

If you're really sick,
It's okay to stay away,
But try your best to come to school,
On every other day—hey!
