## **Foreword**

We, the Annual Staff of 1958, wish to thank all those who have assisted us, in any way, in producing this book. In the years to come, we hope it will bring to mind the many memories held in its contents. We have not carried out a definite theme, as in years past, but hope it will be enjoyed by each student.

## Dedication

Progress made by Nyssa High School has been in direct proportion to the progress made by Nyssa itself. Nyssa has grown, and with it have grown the standards and ideals of the citizens. The addition to the school of a cafeteria and shop has contributed to the needs and pleasures of the people. This and much more is tangible proof that Nyssa is vital and growing. We wish to dedicate this yearbook, as a partial record of this growth, to the advancement and progress of Nyssa.

## Faculty

There is hardly a time when you cannot seek the advice and understanding of the Nyssa High School Faculty. They are found helping out at games, assisting with rehearsals, teaching adult classes, giving assistance in their own subject or helping some civic group. What makes them keep going? Maybe it's the hope that their contribution will provide a basis for a better world.

## Student Council

Like any high school that functions properly, Nyssa High has its own student government. The student officers and representatives meet regularly and debate on all issues which threaten the effectiveness of cooperative action.

The student council is composed of all the presidents of the classes, their representatives and the student body officers, and a representative from the Bulldog staff. Meeting the first Monday of the month, the student council is headed by President Chuck Rieb, and advised by Mr. Jack Jenkins.

This year, for the first time, the student councils of Nyssa and Ontario sponsored a "Trash Clash" for the purpose of cleaning up the two schools. While we came out victorious, both schools had fun cleaning up as well as watching Ontario's student body President and Vice President carry out the penalties.

Another first for the Student Council was the sponsoring of exchange assemblies with Ontario, which was carried out the latter part of the year.

Serving this year as the leaders of our student body are:

President  
Secretary  
Vice President

Chuck Rieb  
Patty Matsunaga  
Roger Bergam

## Senior Class Officers

It wasn't so long ago when we seniors used to look at high school life, wishing that we were old enough to be a part of it and share the experiences that it brings.

The time finally came when we entered the high school doors as scared freshmen. As we reached our sophomore and junior years, we had gained more self-confidence and responsibility. Now that we are seniors we wish sometimes that we could relive our school days, but, too, we are looking eager-faced to the world ahead.

# Football Finale

The Football Finale, held at the climax of a successful football season, featured the "Miss Football Spirit Contest". The candidates, coming from each of the classes, must have gone to the games and have shown a lot of pep and spirit. The electing was done by townspeople and student body members by putting money into a canister, with a poster beside it for the candidate. The evening was climaxed with Miss Football Spirit reigning over the dance.

The dance was held in the cafeteria backgrounded by the music of the High School Dance Band. Decorations were arranged with a fall atmosphere. It was sponsored by the Girls' League.

This dance originated with the Sadie Hawkins Dance, which has always been girl ask boy.

During the week previous to the dance the girls were obligated to do anything the boys requested such as carry books and pay for the movie tickets.

# Lettermen's Ball

December 21, the high school cafeteria with a holiday atmosphere was the time and setting for the third annual Lettermen's Ball. The court consisted of a princess from each class and the queen coming from the Senior Class. This year the lettermen chose for their queen, Eva Lu Beus. The results of the voting were kept secret by the lettermen until the coronation that night.

Vernon Pond, last year's Letterman's president, performed the crowning.

Eva Lu's princesses were as follows:

Junior	Marjorie Tyler
Sophomore	Teresa Bingham
Freshman	Sandra Lewis

## Cinderella Ball

The refrain of "Around the World in 80 Days" set the feet of 10 couples dancing at the twenty-first annual Cinderella Ball on March 1, 1958, in the gymnasium.

The court is picked from the Senior Class and the seniors do the voting. The ten girls and ten boys with the most votes make up the court. The names of the court are put on the tickets and after the tickets have been turned in and the votes counted, the girl and boy with the most votes are Cinderella and Prince. The girl and boy with the next highest number of votes are Duchess and Duke.
