Parents and/or Guardians:

The CIMS faculty, staff, and administration want to take all measures to ensure the safety of our students, teachers, staff, and patrons. It is essential that our entire faculty/staff be able to quickly and easily identify CIMS students. Yesterday, October 17th, all CIMS students were issued a Student ID with a lanyard to be worn while at school. We are asking for your help in encouraging your child to wear his/her student ID when they arrive at school. CIMS students will be required to wear and display their Student ID throughout the school day. Teachers and administrators are responsible throughout the school day to ensure students are in compliance with wearing their Student IDs. This week, students not in compliance will be given a loaner Student ID that must be returned at the end of the school day. Starting on Monday, October 23rd, students not in compliance will be sent to the office and the parents/guardians contacted. The student will then be issued a loaner badge that will need to be turned back in at the end of the day. These infractions will be recorded and tracked. After the third ID infraction, additional disciplinary steps will be taken, which could include In-School Suspension up to Out-of-School Suspension. Replacement IDs can be purchased from the office for \$5.00. Again, we thank you in advance for your support in helping us focus on school safety.

Best regards,

CIMS Principal
