

Pre-ACT-Sophomores (10th grade)

PreACT® assessments offer 8th, 9th, and 10th graders an early experience with ACT test items, provides a predicted ACT test score, and offers a wealth of information to help students get the start they need to be college ready.

ASVAB-Juniors (11th grade)

The Armed Services Vocational Aptitude Battery (ASVAB) is a multiple-aptitude battery that measures developed abilities and helps predict future academic and occupational success in the military.

ICAP-Freshman (9th grade) and Seniors (12th grade)

What is an Individual Career Academic Plan (ICAP)?

The term ICAP refers to both a process that helps students engage in academic and career development activities and a product that is created and maintained for students' academic, career and personal advancement. ICAP is a student-driven, ongoing process that actively engages students, enabling them to:

- Understand their own interests, strengths, values and learning styles
- Create a vision of their future
- Develop individual goals
- Prepare a personal plan for achieving their vision and goals

ICAP Outlines:

- Students' coursework, learning and assessment results
 - Students' postsecondary plans, aligned with their career, academic and personal/social goals and financial reality
 - Students' records of college- and career-readiness activities
- The ICAP process and related products can provide clear benefits to both students and schools if the district supports ICAP efforts in a strategic and coordinated manner.

*ICAP is a graduation requirement.
