

**ScreenGuide Parental Control app** allows you to set parental controls and configure rules for the safe, fun, and educational use of tablets and smartphones – while minimizing potential risks such as cyberbullying, inappropriate content consumption, and overexposure to screens. To set up and start managing your child's school device, just follow the steps below:

**1** Start by downloading the ScreenGuide app on your personal device – you can look for the app on the App Store (for iOS devices), or by visiting <https://screen.guide/download>.

**2** Enter your email to create your account.

**3** Fill out your account info and click **"SIGN UP"**.

**4** Click **"CREATE A FAMILY"** to continue.

**5** Type your family name and click **"CREATE"**.

**6** Next, add your child to your account.

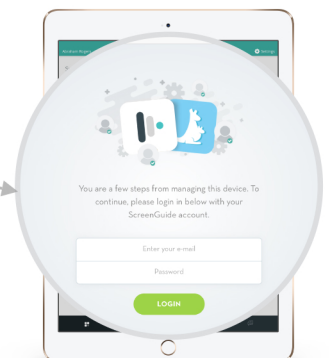

**7** Select **"I'm adding a school managed device"**.

**8** Using the browser on your child's device, access the highlighted blue link.

**9** You will be redirected to the Mosyle Manager app – enter your ScreenGuide login credentials:

Once you login with your **ScreenGuide** account info, within the Mosyle Manager app, you'll be prompted to enter a passcode in order to connect your child's school-managed device to your **ScreenGuide** account. Enter the passcode shown here:

**36A96**
