

Inspire It Forward Memorial Scholarship Sponsored By Pam Checkley

This scholarship is in the memory of my parents. The scholarship is in the amount of \$1,500.00 to a deserving 2023-2024 ALAH graduate.

My parents were big believers in being of service to others in any way they could. If that meant volunteering time, monetary donations, or being on a committee, they did whatever was necessary. They were instrumental in the start up of Camp New Hope near Lake Mattoon. My mom was always available to serve on many committees, holding a variety of offices during her term of service. Some of these organizations she assisted in getting them started from the ground up. My dad liked to take a more behind-the-scenes roll of service. Only letting his family and a few people know the depth of his generosity. I am still discovering charities that he contributed to.

Since the passing of my parents, I felt inspired to continue their legacy. This scholarship is one way to honor them. My parents taught our family to help all those you can. If you think helping someone might be impossible, figure out how to make it possible and do what you can.

Thank you for your interest in the Inspire It Forward Memorial Scholarship. Please return the completed application to your school counselor by April 5 for consideration by the selection committee.
