"Building on a Tradition of Excellence"

January 8, 2024

Dear Parents and Community Members:

We are pleased to present you with the Annual Education Report (AER), which provides key information on the 2022-23 educational progress for Kincheloe Elementary School. The AER addresses the complex reporting information required by federal and state laws. The school's report contains information about student assessment, accountability, and teacher quality. If you have any questions about the AER, please contact Ryan Zietlow, principal, for assistance.

The AER is available for you to review electronically by visiting the following website [AER REPORT](#), or you may review a copy in the main office at your child's school.

For the 2023-24 school year, schools were identified based on previous years' performance using definitions and labels as required in the Every Student Succeeds Act (ESSA). A Targeted Support and Improvement (TSI) school is one that had at least one underperforming student subgroup in 2022-23. An Additional Targeted Support (ATS) school is one that had a student subgroup performing at the same level as the lowest 5% of all schools in the state in 2022-23. A Comprehensive Support and Improvement (CSI) school is one whose performance was in the lowest 5% of all schools in the state or had a graduation rate at or below 67% in 2022-23. Some schools are not identified with any of these labels. In these cases, no label is given.

Our school has not been given one of those labels.

Kincheloe Elementary school improvement process is ever-evolving as we strive to meet the needs of our students. We look extensively at data from state and local assessments to make the best decisions for our learners. We encourage parents to be active partners in our school improvement process. Through this process we develop plans for differentiation for our students to continue growth and be successful learners. Students benefit with the use of Reading Recovery strategies as well as other best-practice approaches to teaching and learning.

State law requires that we also report additional information.

1. *Process for Assigning Pupils to the School*-Students who live in the Kincheloe Elementary boundary area are assigned to attend Kincheloe Elementary. 2. The Status of the 3-5 Year School Improvement Plan-Kincheloe currently has a 3-year School Improvement Plan on file with both the State and on the District website. Goals are evaluated yearly based on student data and adjusted to meet the ever-growing assessment needs of individual students.
3. *Brief Description of Each Specialized School*-Dowagiac Schools has available for its students the following specialized schools: (Complete description of each can be found in the District's AER included on the district's website.)

5. *Aggregate Student Achievement Results*- Achievement results for NWEA assessments are included in Kincheloe Elementary School's Annual Report, along with a 2-year comparison of M-Step scores. As a building, we continue to look for ways to improve our early literacy programs within the common core interventions and framework, as well as math interventions.
6. *Parent-Teacher Conference Averages*-Kincheloe Elementary School's average for parent-teacher conferences for the 2022-2023 school year was 98% of the 226 students enrolled.

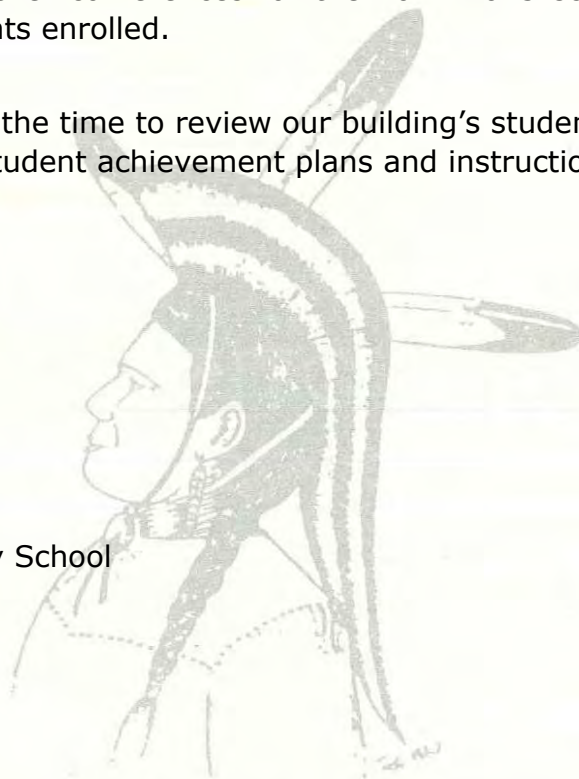

Thank you for taking the time to review our building's student achievement data and programs. Our student achievement plans and instruction are based on a data driven model.

Sincerely,

Ryan Zietlow
