Reminder: Tennis shoes are required for PE class. Also, please watch the weather reports and dress your students accordingly.

OCTOBER CONFERENCES

Next week, we will hold parent teacher conferences. We believe that communication between home and school is critical in providing an effective instructional environment for our children. We look forward to your insights regarding your child's education and input about the school year. As a parent/guardian, you provide valuable information for your child's classroom teacher, so they are better able to address your child's needs. Our teachers truly appreciate your support that you give to your child in his/her education while at home. During your conference, your child's teacher will be sharing information about district curricula, your child's achievement, work habits, and peer relationships. Please feel free to write down any questions and bring them to the conference. **Appointment times came home last week. If you do not have an appointment set up please contact the school office at 269-782-4464. Thank you!**

Students should bring their own refillable water bottle for the school day.

Please label all of your students belongings.
