	Elizabeth Williamson Ruston High School	

WEEK AT A GLANCE

Monday, September 18

Tuesday, September 19

Wednesday, September 20

Thursday, September 21

Friday, September 22

The LDOE recognizes that great school support staff are critical to student success. The Department honors some of the state's most successful school support employees through the Louisiana Outstanding School Support Employee of the Year program.

Part of the selection process for naming the school system and state-level honorees includes recommendations from teachers, principals, school system employees, parents, colleagues, and 2 community members. The [nominations portal](#) is now open and will close on October 12. Multiple nominations are accepted, as well as self-nominations. Upon portal close, the nomination information will be shared with school systems for their consideration.

Now is the time to get your flu shot! To assist you and your family members, we have compiled a list of Blue Cross Blue Shield (BCBS) participating pharmacies that are administering the flu vaccine. You may visit one of these locations at a time convenient for you. To take advantage of this wellness benefit through our BCBS La Plan through Lincoln Parish School Board, you will need to bring your BCBS La member ID card with you and present it to the pharmacy when you receive the vaccine.

We hope that you and your families stay healthy and well during this flu season, and please feel free to reach out with any questions that you may have. We hope that you all have a wonderful safe year.
