Be sure to visit the PTA Membership table in the hall.

Parents are reminded that Back to School Night is not the appropriate time to discuss your individual student. Please ask to make an appointment to speak with the teacher about your child at a more convenient time.

Please make every effort to attend without your students. Though we try to make all events family friendly at Charles Street School, our classrooms are not large enough to seat parents and students, nor is support staff available to oversee students outside of the classroom.
