Good morning,

Happy Monday!

It's that time of the year again where the Palmyra School District participates in the New Jersey Department of Education Governor's Educator of the Year Program. This program recognizes excellence in education which is a direct result of the hard work of our outstanding classroom teachers and educational services professionals.

One of the most meaningful gestures to show appreciation to our educators would be to nominate them for the Governor's Educator of the Year recognition. To make a nomination, please complete the nomination form (see Google Form Link below) by Wednesday, November 15th.

CSS will form a selection committee which will include our 2022-2023 recipients (Mrs. Mills and Mrs. L. Eckhardt), to review the nominations and jointly decide CSS's honorees. At the end of the process, we will share the names of our honorees during our December clap out on December 13th.

I hope you will consider nominating one of our outstanding teachers and educational services professionals for this year's award.
