November 3, 2023

Dear Parents/Guardians:

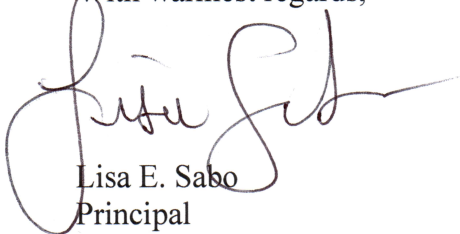

You and your child are cordially invited to attend our Open House at Palmyra High School where we will welcome the prospective members of the Class of 2028! The Open House will take place on Tuesday, November 14th at 7:00 PM. A comprehensive student orientation will be held in August.

Parents and students will have the opportunity to meet high school teachers, guidance counselors and administrators. The program will begin in the auditorium where we will highlight some of the keys to success at Palmyra High School. There will also be student speakers who will present on their experiences at PHS and on the various sports, clubs and activities that are available to all students. The evening will conclude with a student-guided tour of the building. As you enjoy light refreshments in the cafeteria, a student panel comprised of Beverly, Palmyra and Riverton students will be available to answer any questions you or your child may have about the many programs PHS has to offer.

Please enter through Door # 20 on the Fourth Street side of the building and continue up the stairs to the auditorium. While we do request that younger children remain home so that you are able to focus on the evening's events, childcare for younger children will be provided in room # 112 (next to the auditorium) courtesy of our Interact students.

We hope you can attend our program as an important step for parents as you plan your child's academic career. We look forward to seeing you on November 14th!

With warmest regards,

Lisa E. Sabo
Principal

PALMYRA HIGH SCHOOL

#PalmyraProud of our AP CLASSES:

- AP BIOLOGY
- AP CALC A/B
- AP CHEMISTRY
- AP COMP SCI PRINCIPLES
- AP ENGLISH LIT & COMP
