## STAT SCHEDULE

### PANTHER PAUSE

Students: This is a reminder that you are not allowed to take pictures or videos during the school day while on campus. This includes with cameras if not permitted by a supervising teacher. The consequence for this infraction would be a Saturday School.

### JUNIORS AND SOPHOMORES:

School Day pictures will be made in Butler Auditorium on Wednesday, September 13, 2023. Please make certain you understand what to do when it is time for you to have your picture made.

Students will enter the auditorium through the front doors and form a line as designated as you enter. You will then be directed to one of three photographers who will take your money envelope. Please know that **if you are buying pictures, bring the envelope with payment when you come to the auditorium.** (If you bring the money envelope after the picture is taken, your picture will have to be retaken). **If you ordered online, tell the photographer you did so.**

Once your picture is taken, you will exit on the right side of the stage. As you leave, you **MUST** get a pass from the person stationed on the right side of the stage. Since this is the picture which will be used in the yearbook, **everyone** should get his/her picture made. This may be your only opportunity. It doesn't matter whether you buy a packet or not. We want your picture as part of our yearbook.
