For more information on how you can audition or get involved behind the scenes, please see Mr. Chambers in room 228.

SOPHOMORES

On **January 17 and February 12**, you will report to a different classroom for STAT. This is only for these two days. **You should report to your normal STAT teacher on other STAT days unless otherwise instructed.** You are assigned to a teacher for these two days that will be helping you prepare for the upcoming ATLAS test that you will be taking in April. This is a very important test and we want you to be prepared in order to do your very best. A list will be posted downstairs by the office and all of your teachers have your room assignments for that day. It is your responsibility to know where to report on these two days so that you are not tardy.
