Dear Parents/Guardians,

The Oklahoma State Department of Education offers an online Parent Portal. The Oklahoma Parent Portal is designed to provide students and parents with online access to a student's state assessment scores. This portal will assist a student and his or her parents/guardians with tracking assessment information throughout the student's academic career. The portal currently provides historical scores back to the OSTP 2016-2017 assessments and up to the previous testing year of 2023-2023.

We have listed directions below to get started in the program. If you have any questions, please feel free to give us a call. As always, thank you for maintaining interest in your child's academics and for your support of our teachers and school.

Sincerely,

Kenny Guthrie
Superintendent

The portal can be found here:

If you have not already set up an account, you will need your student's 10-digit State ID (STN) number and date of birth. If you have last year's OSTP results (see example below, the 10-digit State ID (STN) can be found on the front page of the report. It is labeled **State ID** and is located beneath your student's name and local ID number. If you do not currently have access to your student's 10-digit State ID (STN), please contact our office 918-256-6401.
