Middle School students also responded to the same Youth Art Month prompts!

The New York State Art Teacher's Association annually hosts a creative problem-solving event called the Olympics of the Visual Arts, in which student teams enter a long-term design solution in one of eight categories and participate in an on-demand design prompt. Teams present a portfolio along with their entry to showcase the research and planning that led to the final design. On April 1, 2025 our high school Olympics of the Visual Arts Team of 21 students competed at the Saratoga Civic Center. Students created artworks in the following categories: Drawing, Graphic Design, Illustration, Sculpture, Fashion Design, Architecture and Painting!
