School Level Improvement Plans

Purpose:

To provide schools an opportunity to reflect upon student performance, establish learning goals, and create action plans to achieve those goals.

Process:

The state requires that every school create an improvement plan with goals, actions, timelines and methods of evaluating outcomes. These plans are submitted to the District Board of Education for approval, then submitted to the state for final approval. Plans must be published on the District website by August 1st.

AP & Concurrent Credit

Advanced Placement Program (AP)

The College Board Advanced Placement Program (AP) is designed for high school students who desire a challenging academic curriculum. Students have the opportunity to pursue college-level studies while still in high school and receive advanced placement and/or credit upon entering college. Students must take the end of course exam, in May. These tests enable students to earn credit at most colleges and universities

AP Courses Taught Onsite at GHS

AP Biology, AP Calculus AB, AP Calculus BC, AP Computer Science Principles, AP English Language and Composition, AP English Literature and Composition, AP United States History, and AP World History

AP Courses Offered Online through Virtual Arkansas

AP Art History, AP Computer Science A, AP Environmental Science, AP European History, AP Human Geography, AP Music Theory, AP Psychology, AP Spanish Language, AP Statistics, and AP United States Government and Politics

Concurrent Credit Courses

GHS offers a variety of concurrent credit courses to gain both high school and college credit simultaneously. Concurrent courses are offered onsite, online, and through the Western Arkansas Technical Center (WATC). For a full list of concurrent courses, the GHS Course Catalog is available at the following link:
