## MISSION STATEMENT

**DESIGNING QUALITY WORK FOR STUDENTS AND LEADING THEM TO SUCCESS.**

### SALEM HIGH SCHOOL LOCKER POLICY

During this school year you will be entrusted with a locker for storing your books, coat, and items needed for school. Being “entrusted” is a two-way street. It involves an agreement or contract between you and the Board of Trustees of Salem Community Schools. Under this agreement, the school will be responsible for providing you with a locker at no cost as long as you abide by the terms of the agreement. You are responsible for the physical condition and appearance of that locker. A \$10.00 refundable damage deposit will be paid with book fees and, assuming no damage is done, either refunded at graduation or withdrawal, or applied to the student’s senior trip.

#### **GUIDELINES FOR PROPER LOCKER USAGE:**

1. You are expected to keep your locker locked. Money and other valuables should be locked up. The combination for your lock should not be given to anyone except your locker partner.
2. Your locker should be kept free of all writing inside and outside. You will be required to clean off any marks either before or after school under the supervision of a staff member.
3. You may tape pictures in your locker as long as they are tasteful. If any staff member judges a picture to be distasteful, you may be asked to remove it. You can personalize your locker without it being damaged, defaced, or appearing offensive.
4. Some acceptable items inside lockers include magnetic mirrors, plastic shelves, containers for pencils or pens, or other items that do not damage the locker.
5. Kicking, beating on, scratching, bending, denting, defacing or any other form of destruction to any locker will be treated as an act of vandalism. You will be required to pay for damages and may be suspended from school.
6. You should keep materials in your assigned locker only. In the event that you are absent and assignments need to be sent home, student services will only go to your assigned locker for materials. The locker assigned is your locker. You are responsible for the locker assigned to you and will be assessed for damages to that locker.
7. Lockers should be kept free of trash.

## CONSEQUENCES FOR STUDENTS DISRUPTIONS

Obviously, no procedures for handling discipline problems can be all inclusive but some basic guidelines are helpful in the interest of consistency, fairness, and just punishment. It is with this intent that the following has been formulated, realizing that no guidelines are absolute. Most importantly, every effort will be made to match the severity of the corrective measure with the severity of the offense. All discipline problems will be carefully investigated, hearing both sides of the incident or issue and subsequently making an objective decision.

### Consequences are:

#### A. Detentions

Faculty may require a student to serve lunch detention (LD) or After School Detention (ASD). The detention may be served with the teacher who issues the detention or with the supervisor in the designated detention area from 3:30 – 4:30 p.m. Students may be assigned to detention for the following:

Classroom Disruption

Disrespectful Behavior

Being Away From Assigned Area

Repeated Rule Violation

Disruptive/Inappropriate Behavior

Disruptive/Inappropriate Dress

Late to Class (habitual tardiness)

Sleeping In Class

If a student fails to report to detention, additional discipline will be assigned.

Lunch Detentions will be served during lunch at designated locations.

#### B. Referral/Suspensions

A referral is a mark against one's behavioral record by reason of misconduct or failure to follow school policies.

1. Referrals accumulate throughout the school year.
2. Referrals are given for serious offenses.

Types of suspensions – OSS or ISS

Referrals and other serious classroom violations can lead to suspensions from school.

<u>Offense</u>	<u>Referral</u>	<u>Additional Action/Remarks</u>

Proper documentation of such misconduct must be kept by the teacher and students will be informed of such documentation. The teacher may at any time ask for assistance from an administrator. This assistance should be documented by the teacher.

On the occasion of the first incident, the teacher and student should have a conference discussing the behavior, corrective measures to be taken and possible consequences.

On the occasion of the second incident, the teacher and student will again confer and then the teacher will contact the parent or guardian by phone, mail, or person to person contact.

On the occasion of the third offense, the teacher may request the administration to intervene by completing the student discipline form. Completion of this form is considered a referral.

On the occasion of the fourth offense, the administration may request expulsion for the semester or the school year.

### **C. Major Problems of a Criminal Nature**

After careful investigation by the principal or his designee, a situation may be classified as a problem of a criminal nature. At this time the Salem Police will be notified. Situations may also involve the county and state police. Probation and child/family services may also provide support. It will be the responsibility of Salem High School to contact parents or guardians of the students involved as soon as possible. Items in this category could lead to immediate expulsion

- \* The Community Service will include a nominal fee paid by the student.

Students who are involved in a physical and/or verbal altercation at school and carry it over after school hours on or off school grounds may be subject to disciplinary action.

STUDENTS EXPELLED FOR THE FIRST SEMESTER WILL RETURN ON A PROBATIONARY STATUS FOR THE SECOND SEMESTER. IF ANOTHER REFERRAL IS ADDED SECOND SEMESTER, THE EXPULSION WILL CONTINUE.

## **CONSEQUENCES FOR DISRUPTIVE BEHAVIOR**

Recognizing that the behavior of some students may be so disruptive that it interferes with school purposes or educational functions of the school corporation, school officials may find it necessary to remove a student from the school. In this event the Board of School Trustees authorized administrators and staff members to take

the following actions.

Security cameras are located throughout the school to monitor activities in the halls for school safety as well. Students who tamper with outside doors or security cameras will face possible disciplinary action.

Vandalism is defined as any malicious attempt to harm or destroy school equipment or materials, data of another user of the school system, loading unauthorized software to a system, or any attempt to change the configuration of the computer or system software. This includes, but is not limited to, the uploading or creating of computer viruses.

Any attempt to circumvent SHS blocked sites will result in computer restriction or disciplinary action. Writing email is strictly forbidden during school hours.

## CELL PHONES

Cell phones may be used during breakfast passing periods and lunch. Cell phone usage during the remainder of the day will be based on individual teacher classroom policies.

Violations of individual teacher policy will result in disciplinary measures as follows:

**1<sup>st</sup> Offense:** After School detention and phone returned to student

**2<sup>nd</sup> Offense:** A referral and one day of ISS and the parents will be contacted to come and get the device.

All subsequent offenses will result in a referral and consequences will be based on referral number.

Refusal to turnover electronic devices to staff members will be considered an act of defiance and insubordination.

Cell phones should be silenced upon entering the building.

Staff members reserve the right to collect the phone, for pick up in the office, if it is a distraction to educational purposes.

Students may use the office phone for emergencies—not just to change plans or make plans.

Bullying is overt repeated acts including physical, verbal or any other behaviors that are committed by a student or group of students against another student with the intent to harass, ridicule, humiliate, or intimidate the other student. Bullying shall be prohibited on school grounds, on a school bus, at a school bus stop, or any school sponsored activity. (IDOE)

## **INSUBORDINATION**

Good school order requires that students comply with requests, instructions, or directions given by members of the school staff. Refusal to comply could lead to suspension and repeated offenses could lead to expulsion. If a student believes a request, instruction, or directions is unfair or unjust, they must first comply and then may make a complaint to the principal's office.

## **PLAGIARISM – DON'T DO IT!**

Plagiarism is claiming someone else's work as one's own. One type of plagiarism occurs when a person copies words, sentences, or paragraphs of another writer's work without quotation marks and proper documentation. Another type of plagiarism happens when a person uses someone else's ideas without giving credit to the source.

Plagiarism in high school is considered to be cheating and could lead to loss of credit for assignments. In order to avoid plagiarism, ask your teacher to show you how to use sources correctly, how to include documentation in your writing, and how to create a works cited page that lists and credits the sources you have used in your work.

## **TOBACCO PRODUCTS--SMOKE/TOBACCO FREE ENVIRONMENT**

This type of behavior is not acceptable. Any initial complaint of sexual harassment should be registered with the building principal.

## **OPEN DISPLAY OF AFFECTION**

Open display of affection can be very embarrassing to other students. Kissing, embracing and close body contact is not acceptable. Students will be issued a warning, and then a student conference with an administrator, parent contact or discipline action such as detentions and suspensions could be used.

## **DRIVERS LICENSE INVALIDATION - PUBLIC LAW 51-1990**

Any student that is expelled from Salem High School who is under the age of 18 will have their Indiana Driver's License or Learner's Permit invalidated for a period of 180 days.

Students who dropout of school to circumvent a driver's license invalidation will still have their license invalidated. This invalidation will last until the student turns 18 or re-enrolls in school in good standing.

## **SALEM HIGH SCHOOL ATTENDANCE POLICY**

### **GOOD ATTENDANCE IS A MUST.**

Beginning in kindergarten, high attendance rates are predictive of future academic achievement as well as High School graduation. Because we want to see our students succeed in life, Salem Community Schools has designed a uniform policy we believe will ensure good attendance. At all ages, regular attendance promotes the continuity of the instructional process allowing the school to provide the best possible education to each student.

We do acknowledge there are certain circumstances that require a student to be absent. We ask that parent(s)/guardian(s) call the school between 7:30 - 9:00 a.m. to notify the attendance clerk of an absence. If parents do not contact the school, the school will attempt to contact the parents to check on the reason for the absence and the student will be marked with an unexcused absence (AUX).

Below are reasons an absence will be excused or verified:

#### **Excused Absences (AEX)**

1. Personal Illness verified by a written doctor excuse, when a student is sent home by a School Nurse, or at the Principals discretion with parent Verification. The parent may excuse the absence by phone or written notification up to 5 days each semester after this all absences must be excused by a physician note.
2. Death in the family.
3. Absences excused by law as noted in Indiana Code 20.
4. Court appearance with documentation upon return.
5. Religious observance with prior notice and documentation upon return.
6. Additional absences may be excused at the discretion of the principal or her/his designee. Planned absences for any reason must be PRE APPROVED. This includes vacation days requested and counts towards the 5 absences excused by parents per semester.

All other absences will be considered unexcused (AUX).

### **CORPORATION PROCEDURES FOR EXCESSIVE ABSENCES**

If a student reaches 4 days unexcused or unverified absences, the building Attendance Clerk, Principal or Designee will notify the parent/guardian by phone and/or email of the importance of school attendance. The phone and/or email will be documented with a date and time.

If a student reaches 6 unexcused or unverified absences the building Attendance Clerk, Principal or Designee will send a letter of concern of the attendance policy and the next steps if the absences continue. The letter will be documented with a date and time.

If a student reaches 8 unexcused or unverified absences the School Resource Officer, Principal or Designee will make a home visit and check the wellness or health of the student. The home visit will be documented with a date and time.

If a student reaches 10 unexcused or unverified absences the school administration will contact the Washington County Probation and/or contact the Department of Child Services to report the students lack of attendance. The reporting will be documented with a date and a time.

The goal of improving communication is to help the student and/or parent/guardian to determine what can be done to ensure that the student attends school.

In accordance with habitual truancy as defined by Indiana State Law (I.C.20-33-2-11) when a student reaches 10 days unexcused or unverified the Attendance Officer will refer a middle or high school student to the Washington County Probation Department and an elementary student to the Child Protective Services. Chronic absenteeism is defined as missing 10% or more of the school days. In Indiana, this equates to 18 days or more of school during one school year. Chronic absenteeism also qualifies as truancy under Indiana Code 20-32-11 as described by the Indiana Department of Education.

In accordance with Indiana State Law (IC 20-33-3-20) when a student reaches 10 days unexcused their work permit will be revoked by the issuing officer.

In accordance with Indiana State Law (IC 9-24-2-1) the license bureau shall suspend the driving privileges or invalidate the learner's permit of an individual less than eighteen years of age who is a habitual truant under IC 20-33-2-11. A periodic review of the student's attendance record will determine whether the prohibition will continue.

Common Attendance Codes (Powerschool)

Unverified (AUV) refers to absences where contact has not been made between the school and a parent/guardian to establish the reason a student is absent.

Unexcused (AUX) refers to absences where contact has been made between the school and a parent/guardian to establish the reason a student is absent but no formal documentation is provided.

Excused (AEX) absences refer to absences when the reason has been established and the student is excused through formal documentation.

11 unexcused absence/semester	1 Referral;	1 Day OSS / ISS
16 unexcused absences/semester	1 Referral	2 Day OSS / ISS
21 unexcused absences	2 Referrals	10 Day OSS / Pending Expulsion

PREGNANCY

Students who are pregnant will have a conference with the parent, counselor, administrator, and teachers to determine the student's academic status. At the conference, a plan will be devised to attempt to meet the needs of the students. It is possible that some classes may be dropped and an adjusted schedule arranged.

## **TARDY POLICY**

### **CLASS TARDIES**

The following are per class per 9 week grading period:

\*First & second tardy to class: Warning

\*Third tardy: Teacher assigns an after school detention

\*Fourth tardy: Teacher assigns an after school detention

\*Fifth tardy: Teacher refers the student to administration - 1 Day ISS

Failure to comply with the above consequences will result in further disciplinary action.

## **ATHLETIC POLICY**

Because all students must be considered as potential athletes, this policy applies to all students in Salem High School.

Participation in athletics is a privilege. Violation of the Salem High School Athletic Policy could result in suspension of that privilege. The following consequences address tobacco, alcoholic beverages, drugs, and special cases, regarding unacceptable conduct by any student associated with the athletic program at Salem High School during their high school career.

**IMPORTANT NOTE:** Before participating in a sport, the student must have a drug testing consent form signed and on file in the main office.

A. Tobacco - a participant knowingly possessing, using or transmitting tobacco or e-cigs in any form is subject to the following procedure. The penalties for these offenses are:

1. First Offense - 10% of the present season or if not currently involved in a sport, 10% of the following season.
2. Second Offense - Suspension for 50% of season. This penalty may be reduced to 25% of the season if the athlete participates in a tobacco cessation program.
3. Third Offense - Suspension from athletics for full season. This penalty may be reduced to 50% of the season if the athlete participates in a tobacco cessation program.

*Determination for all of the above will be as stated in Section E*

B. Drugs and/or Alcohol - A participant knowingly possessing, using, transmitting, or being under the influence of any illegal drug (as defined in the Indiana Controlled Substances Act) and/or alcohol is subject to the following procedure. The penalties for these offenses are:

1. First Offense –  
(Option A) Suspension from that athletic sport for half of the present season or if not involved in a sport at that time, half of the following season. This penalty may be reduced to 25% of the season if the athlete participates in an alcohol/drug abuse treatment program.

(Option B) An athlete on first offense can choose to reduce the 25% suspension into a 10% suspension by following the criteria below:

- a. Enroll and complete drug/alcohol treatment class/program.

- b. Attend 3 drug/alcohol treatment counseling sessions.
- c. Request to be placed on the monthly drug testing program for one calendar year (excluding summer).

*All expenses for classes/counseling/testing will be paid by student-athletes (parent/guardian).*

Any further issues concerning alcohol, drugs, and/or tobacco within a year of the 1<sup>st</sup> offense will result in an immediate 365 day suspension from athletic events. After 365 day suspension the student-athlete would then be put back into the original policy and would follow the steps below (Second Offense, Third Offense). Second Offense policy does not apply to Option B candidates until AFTER the 365 day suspension.

Second Offense – Suspension from all athletic sports for one calendar year. This penalty may be reduced to 50% of the season if the athlete participates in a drug and/or alcohol treatment program.

Third Offense - Suspension from all athletic sports for that person's high school career, or one calendar year, if the athlete participates in a drug and/or alcohol treatment program.

*Determination of the above will be as stated in Section E.*

Note: If an athlete should find himself/herself in attendance at a function where alcohol and/or drugs is/are served or consumed in violation of the law, the athlete should leave immediately. By doing so, the athlete will not be guilty of violating this rule. If the athlete does not have transportation to leave, the athlete should call the following for transportation: 1) Parents/Guardians 2) a Head Coach 3) An Assistant Coach 4) Athletic Director 5) Principal.

Note: If the offense occurs at a time in the season when the full time of suspension cannot be served, the remainder will be served in the following season. (Applies to Tobacco/Alcohol/Drugs for each offense)

Note: A "season" consists of the entire regular season contest plus one contest in the IHSAA Tourney.

Example:  
Basketball –                      22 regular season games  
    +1 IHSAA Tourney game  
    23 total ( $23 \times \frac{1}{4} = 5 \frac{3}{4}$  games)

If the suspension is to be served during a following season, it must be served in a sport in which the athlete has previously participated unless agreed upon by the "new" sport coach. The athlete must complete the season in good standing according to the coach's normal team expectations. If the athlete fails to complete in good standing, the suspension holds for the next upcoming season.

The length of the suspension is the number of games it takes to play 10% / 25% / 50% of the varsity schedule (depending on level of suspension) or at the highest level that he/she participates.

D. Theft - theft or any other act constituting a crime as defined by the Indiana Penal Code is a violation of this policy. The penalty can range from a game suspension to as much as the remainder of the high school career.

E. All cases will be acted upon by the principal, athletic director, and coach whose season is involved. In all cases, the principal is the person ultimately responsible for carrying out the athletic policy at Salem High School.

F. Out of Season - If it is verified that any student associated with the athletic program has committed violation A, B, C or D when not participating in a sport, he/she will be charged with the appropriate consequence. This consequence will be effective during his/her next sport season.

G. Loss of Awards/Points – Any participant suspended from the athletic program for a sport season or longer will be ineligible for any awards/points during the time of the suspension. This includes the sport in which the suspension is instituted.

H. Review and appeal of action for an athlete and parent or guardian.

Step 1: Hearing before A) head coach of sport in which alleged offender is participating. B) athletic director, and C) principal. The alleged violation will be reported orally or in writing. The athlete and parent/guardian may question any witnesses and present arguments on their behalf with regard to the alleged violation.

Step 2: The athletic director shall write a letter to the parent/guardian of the athlete informing them of the penalty.

I. School Suspension – Students on any form of suspension may not participate in athletic contest while on suspension. Out of school suspension will prohibit any type of involvement in any athletic activity.

Out of school suspension will result in a minimum of 2 games suspension. In-school suspension/OSA will result in a minimum of 1 game suspension (in-season only).

Anyone who is involved in disciplinary actions other than A, B, or C outside of the season will be dealt with directly by the athletic director.

J. A PLAYER MAY NOT QUIT ONE SPORT TO PARTICIPATE IN ANOTHER SPORT DURING THE SAME SEASON (FALL, WINTER OR SPRING)

IMPORTANT NOTE: This Athletic Policy has been submitted to the Washington County Probation Officer and the Washington County Juvenile Court. These authorities may use this Athletic Policy and impose the penalties herein.

1. A student who tests positive for alcohol will have his/her driving privileges suspended for nine-weeks. A student driver who tests positive for banned substances other than **alcohol** will lose his or her driving privileges for nine-weeks or the remainder of the semester, whichever is longer.
2. A "follow up" test will be requested by the principal/designee after the suspension period and after such an interval of time that the substance previously found would normally have been eliminated from the body. If this "follow up" test is negative, the student will be allowed to resume extracurricular activities and/or driving. If a second "positive" result is obtained from the "follow up" test, or any later test of that participant, the same previous procedure shall be followed.

administering and evaluating homework.

Students are encouraged to keep up to date by checking the Google Classroom if the student is absent. ## GRADUATION

Ensuring that all required courses and total credits are in order to meet graduation requirements is the responsibility of each student. Graduation checklists are available from counselors who meet with each student to review progress and assist with course selections. Seniors who do not complete all required coursework or finish correspondence/independent study courses at least two weeks prior to the end of the second semester will not be allowed to march with their class in commencement exercises.

Seniors will be honored at graduation according to their GPA and level of diploma. Students with a weighted GPA of 4.25 or higher will receive Summa Cum Laude honors. Graduates with a weighted GPA between 4.0 and 4.24 will receive Magna Cum Laude. Students with a weighted GPA of 3.75-3.99 will be awarded Cum Laude. National Honor Society graduates will wear a special sash. Core 40 with Academic or Technical Honors graduates will be highlighted on the graduation program and a special seal will be affixed to their permanent records and diplomas.

## DIPLOMA TYPES

**Indiana Core 40 Diploma:** The Indiana Department of Education expects all students to enroll in the Indiana Core 40 Curriculum. This curriculum requires students to earn 40 credits, including specific courses. This curriculum is designed to prepare students for success in a wide variety of educational and career opportunities following high school.

**Indiana Core 40 Diploma with Academic Honors:** The Indiana Core 40 Diploma with Academic Honors is available to students who go beyond the Core 40 requirements and earn 47 credits. Additional requirements for Academic Honors include two additional credits in a high level of math, six to eight credits in a foreign language and two credits in fine art. Honor diploma students are encouraged to take the honors section of courses if one is offered. A cumulative grade point average of 3.0 at graduation is required, and students must earn at least a C- in the required classes. Academic Honors students must also meet additional requirements for SAT/ACT test scores, dual credits, and/or completion of Advanced Placement courses.

**Indiana Core 40 Diploma with Technical Honors:** The Indiana Core 40 Diploma with Technical Honors is available to students who go beyond the Core 40 requirements and earn 47 credits while participating in a Career or Technical Program. Additional requirements beyond Core 40 for Technical Honors include completion of a career or technical program in which students earn a state recognized certificate or an Indiana Certificate of Technical Achievement. A cumulative grade point average of 3.0 at graduation is required, and

students must earn at least a C- in the required classes.

**Indiana General High School Diploma:** The Indiana High School Diploma is available only for juniors or seniors after a parent conference determination that the Core 40 diploma does not fit the student's needs and abilities. Students on the minimum diploma track must still earn 40 credits including 6 credits in a Career Academic Sequence. Requirements also include Flex Credits which are additional credits in English, math, science, social studies, and foreign language or dual credits, technical or workforce certification or an internship. In addition to the required credits, students must demonstrate their ability to meet the standards on both the English/Language Arts and Mathematics portions of the End of Course Assessments.

**MIDTERM/EARLY GRADUATION**

The Indiana State Board of Education allows students to graduate after seven semesters if they have completed all state and local graduation requirements and met the standards in both English/Language Arts and Mathematics on the End of Course Assessments. Students must submit a Midterm Graduation Application by August 1 of the senior year stating a compelling reason for requesting Mid-term graduation to gain principal approval. A conference with parents, counselor and principal is also required. Midterm graduates will not receive their diplomas until Commencement ceremonies at the end of the regular school year. A letter stating that the student has graduated will be issued at the student's request. Students who graduate after their seventh semester forfeit participation in all second semester extra-curricular activities, sports and school organizations, except Honor Day, prom and Commencement ceremonies. Students wishing to graduate early will be evaluated on a case by case basis. A minimum of a Core 40 diploma and passing scores on the ECA test will be required.

**SEMESTER GRADES**

The final semester grade includes points for all assignments, tests, and projects from the entire semester, not an average of the grading periods. At the end of each nine-weeks, report cards will be sent home with students showing grades and attendance for each class taken. These nine-week periods are not independent grades, but a cumulative progress report for the entire semester up to that point.

**GPA/CLASS RANK**

At the end of each semester, the rank for each graduating class is figured by ordering students according to their cumulative grade point averages for all semesters of high school. Grade Point Averages are calculated at the end of each semester. Grade points are assigned according to the scale below. Class rank for each graduating class is calculated by ordering students according to their cumulative total grade points earned, not grade point average.

A+ = 4.0	B+ = 3.5	C+ = 2.5	D+ = 1.5	F = 0.0
A = 4.0	B = 3.0	C = 2.0	D = 1.0	NC= 0.0
A- = 3.75	B- = 2.75	C- = 1.75	D- = 0.75	W/F=0.0

Beginning with the Class of 2012 grades will be weighted according to course difficulty. Students taking honors level classes will be awarded bonus points that will impact their overall GPA. The chart below shows the process of grade weighting.

Letter Grade	GPA	Weighted GPA (Honors)	Weighted GPA (Dual Credit)	Weighted GPA (Advanced Placement)
A	4.0	4.5	4.75	5.0
A-	3.75	4.25	4.5	4.75
B+	3.5	4.0	4.25	4.5
B	3.0	3.5	3.75	4.0
B-	2.75	3.25	3.5	3.75
C+	2.5	3.0	3.25	3.5
C	2.0	2.5	2.75	3.0
C-	1.75	2.25	2.5	2.75
D+	1.5	NA	NA	NA
D	1.0	NA	NA	NA
D-	.75	NA	NA	NA
F	0	NA	NA	NA
WF	0	NA	NA	NA
NC	0	NA	NA	NA

A grade of NC or No Credit is given when student absences exceed the 10-day unexcused absence limit.

A grade of withdrawal/Fail (W/F) is figured into the GPA as a 0.

#### **INCOMPLETES**

Teachers may give an "I" or incomplete grade on a report card to a student who for medical or other reasons did not meet requirements for the course by the end of the grading period. The student will have two weeks to meet the requirements. After two weeks, the grade is automatically changed to an F if assignments have not been turned in.

#### **AUDITING A COURSE**

Students may audit a course when approved by the principal and teacher. The student must participate in all course activities and assignments, but will receive no grade or credit for the course. Requests for auditing must be made no later than nine weeks into the course.

#### **REPEATING A COURSE**

Students may retake a required course to improve a low, but passing grade. Both grades will be recorded on the student's transcript. The higher grade of the two will be used to meet requirements for Core 40 and Academic Honors Diploma and in calculating the student's cumulative GPA.

## DUAL CREDIT/COLLEGE CREDIT AND ADVANCED PLACEMENT

## CREDITS FROM OTHER SOURCES

Students who take high school courses through accredited high school programs may transfer those credits to Salem High School by providing documentation of curriculum and grades earned. These sources commonly include correspondence and on-line courses through Indiana University or the University of Missouri, alternative school courses, and summer school courses from either SHS or other area high schools. All such courses must be approved in advance by the student's counselor. An official transcript of grades of all transfer credits from the issuing school must be received at least two weeks prior to the end of the semester to entitle seniors to participate in Commencement ceremonies. The number of such credits accepted is limited to 8 credits without special approval of the principal. (This does not apply for students who transfer from another school district.) Enrollment for PLATO for credit recovery is limited and must be approved by the principal, counselor and parent.

## TRANSCRIPTS

Salem High School cannot release grades or a school transcript for colleges or scholarships without a signed release form completed at registration.

## **PROSSER**

Salem High School juniors and seniors may elect to enroll in a vocational class at Prosser Career Education Center in New Albany. On the days that Salem is on a two-hour delay schedule due to inclement weather, the morning or AM Prosser bus will not run. Students will not be penalized at Prosser. The PM Prosser bus will run as scheduled following the two hour delay. When NAFCS are on a two-hour delay and SCS are on a regular schedule Salem AM Prosser students **DO NOT** have to go to Prosser. The PM Prosser students should go on their regular schedule. If NAFCS is not in session, the bus will not run for either session. When Prosser is not in session, students are still required to attend all classes at Salem High School.

## **COURSE SCHEDULING**

During the spring semester, students will meet with counselors to complete a Course Selection Sheet based on their career plans, academic plans, and related course selections which will be sent home for parent approval and a signature. A copy of the student's course requests and current graduation status will be sent home at a later date. It is the responsibility of the student and parents to make the final course selection. Parents may schedule an appointment to meet with the student and counselor to discuss scheduling options.

## **COURSE LOAD**

Students may enroll in as many as seven classes for each semester. A student may take no more than one period of Learning Center in each semester.

The Indiana State Board of Education's instruction time rules require schools to provide a full instructional day to all students. This requirement includes seniors. Shortened schedules may be allowed in extraordinary circumstances at the discretion of the principal.

## **COURSE ADMISSION**

Students and parents should carefully consider whether students have the academic background, learning strategies, and motivation required to be successful in each course they are considering. Before enrolling in some courses, students must meet placement requirements or have earned satisfactory grades in a prerequisite course. These requirements are listed in the course description for each class. A signed waiver may be required for any grade lower than the recommended grade.

## **SCHEDULE CHANGE**

Students are expected to give careful consideration to course selections when they are made in the spring of the year. Students will be able to review their schedules during the week before the start of school and make adjustments. . Changes will be made in accordance to the student's needs and abilities, and parental approval

and teacher recommendation may be necessary before a change will be made. No changes will be made for the sole purpose of changing teachers or periods that a particular class meets. Likewise, changes cannot be made that will unbalance or overload already existing sections of classes.

Schedule changes must be made by the first week of class. During the first six weeks, students may withdraw from a class and replace it with a learning center, if they are not already enrolled in one. After the first six weeks, students who withdraw from a class will receive a W/F.

#### **WITHDRAWAL FROM SCHOOL**

Students who withdraw to transfer to another school must obtain a Transfer Form from their counselor prior to the day of withdrawal. All books must be returned and a parent signature is required for all students under the age of 18 who are transferring to other schools. Students who withdraw and are not intending to enroll in another school must have an "Exit Interview" with the principal (or designee) and parent. Even with parent and principal approval, a student who is at least 16 years of age but less than 18 years of age is bound by Indiana's compulsory school attendance and may not withdraw from school before graduation unless the withdrawal is due to an illness, an order by a court that has jurisdiction over the student or financial hardship and the student must be employed to support the family or dependents.

#### **TESTING**

Several achievement and aptitude tests are given each year to Salem High School students. These include:

- PSAT (Preliminary Scholastic Aptitude Test) is offered to juniors and sophomores in October. The PSAT prepares students to take college entrance exams such as the SAT or ACT. Juniors may also qualify for National Merit recognition through PSAT. Students must register for this exam through Student Services. Fee waivers are available for students who are eligible for Free or Reduced Lunch.
- Starting with the Class of 2023, **all juniors** will be required to take the SAT in the spring as one of the requirements for graduation. The test will be administered during the assigned window provided by the Indiana Department of Education.
- SAT and ACT provide testing for college admissions. Both the SAT and ACT are given throughout the year for juniors and seniors who plan to attend a college or university. Many students take one or both of the exams more than once to increase their chances of doing well. In addition to college admissions, these scores are also used to award merit scholarships. Students may register online (<http://satsuite.collegeboard.org> or [www.act.org](http://www.act.org)). Salem High School is a SAT and ACT testing site and students can opt to take the test here or at several neighboring schools. Check the schedule for local test dates. **Salem High School's CEEB/high school code is 153-130.** Fee waivers are available for students who are eligible for Free or Reduced Lunch.
- Armed Services Vocational Aptitude Battery (ASVAB) is a test that may be given to students interested in joining the military. It is a test that measures the student's readiness to become proficient in a certain type of work (aptitude). Through the ASVAB test, students qualify for various training opportunities in the military, many of which have related occupations in civilian life. The ASVAB also includes a career interest inventory and may help students meet a graduation pathway.

**STUDENT SERVICES STAFF**

Guidance, career, and special education counselors and the school nurse, are available to assist students with academic, career, and personal concerns. Students who need to see a counselor should sign up in Student Services or have their parent or teacher contact a counselor or social worker. ## MEMBERSHIP IN NATIONAL HONOR SOCIETY

The National Honor Society selection process is determined by the NHS Constitution and by the National Society of Secondary School Principals. Students who meet the GPA requirements of 3.35 and above are asked to fill out an information sheet in the fall of their junior and senior years. A committee of five faculty members, appointed by the principal, reviews this information. The NHS Faculty Committee looks for individuals, 202 with high achievement in leadership, scholarship, service, and character. In addition to academic and school performances, the committee considers the student's participation in community groups, such as Boy and Girl Scouts, We the Youth, 4-H, etc. Students who meet all requirements are selected for membership through majority vote by the committee; the advisor does not vote. Students selected to be members of the National Honor Society are expected to maintain their high standards of scholarship, leadership, service, and character. - *Nicole Purlee, NHS Advisor*

## CRITERIA FOR OUTSTANDING STUDENT AWARD

A teacher may give an Outstanding Student Award to a student who has done outstanding work in a subject area. Outstanding Student Awards may also be given for work in subject-related extra-curricular clubs and student activities. A student who has received an award in a local, state, or national contest in a subject area may also receive an Outstanding Student Award.

## CRITERIA FOR AN HONOR ROLL CERTIFICATE

A student must have been on the A/B or A Honor Roll either or both semesters of a calendar year. A "year" means the spring semester and the fall semester of a designated year. Honor Roll certificates are given in the spring following the designated year in which the Honor Roll was achieved. A student who is named to the Honor Roll in the spring of 2022 will receive the certificate in the spring of 2023.

## Criteria for an Academic Letter

To receive an academic letter, a student must have a GPA of 3.5 or above and be a CORE-40 or Honor Diploma student or recommended by a faculty/staff member. Academic letters are earned by semester. A student must accumulate two semesters with a GPA of 3.5 and be in the CORE-40 OR Honor Diploma

curriculum in order to receive a letter. The semesters need not be sequential, but only semesters in which the student was a CORE-40 or Honor Diploma counted. Each subsequent letter requires two semesters of 3.5 GPA in the CORE-40 or Honor Diploma curriculum. Students may earn up to three letters. The student will receive a letter for the first award, a torch patch for the second award, and an honor patch for the third award. A certificate will be given with each letter award.

Outstanding Student Awards, Honor Roll Certificates, and Academic letters are awarded at the Honor Banquet, which is held in the spring.

##### **A. Publication Policy**

1. The Lyon will strive to be representative of the entire school population, including a broad range of students.
2. The Lyon will accurately and honestly describe all organizations, athletics, classes, special events, achievements and trends in words and pictures.
3. Upon receiving a yearbook that is damaged, the student may exchange the book if no writing has been done in the book. If a book has been written in, then no exchange can be made unless the adviser feels the flaw is of major proportion (missing pages, etc.).
4. It will be the responsibility of the buyer to provide proof of purchase if no record can be found by the staff. A valid receipt signed by a member of the yearbook staff will be considered a valid proof of purchase.
5. Due to the rising cost of production no extra yearbooks will be ordered. In order to be sure they receive a book, students need to purchase them during the two weeks they are on sale during the school year.

##### **Advertising Standards**

All display advertising published in the newspaper or yearbook will be of the same journalistic quality expected in other areas of the publication. Advertising contracts are legally binding to both parties. Salem High School publications may refuse ads that are not pertinent to the audience, advertise products illegal or inappropriate for teenagers, such as those promoting cigarettes or alcohol, any including racial or other biases, and any found to be otherwise unsuitable for publication. ## **IN CASE OF SNOW**

Every effort is made to have school during winter weather but occasionally a snow or ice storm will dictate that school be closed in the interest of safety. In event of school closings the Washington County schools will notify the following radio and TV stations before 6:30 a.m.; WSLM (1220), WAVE (Ch 3), WHAS (Ch 11), and WLKY (Ch 32). Cancellations and delays will also be posted on the Salem Community Schools Facebook page and web-site. Students and parents are encouraged to monitor one of the above for closing announcements on these mornings when weather is questionable.

Students and parents should avoid calling the schools so that phone lines can remain open to deal with emergencies related to the weather. Radio and television stations also request that parents and students not call their stations so that their phone lines can be kept open to receive updated information from area schools.

There will also be an automated phone message, text message, and e-mail alert sent to the student's primary contact listed in PowerSchool.

Students are not to drive unless they have a physical problem documented by a physician's note. Even then, they should ride alone. Students who travel to these classes on a regular basis, such as band, choir, and cadet teaching, should be aware of weather conditions and dress appropriately. Severe weather may dictate special arrangements for these classes, and students should listen carefully for announcements concerning this.
