

My name is Antonio Bonilla, I was born and raised in Mexico. I moved to Avenal when I was 15 years old leaving my brothers, sisters, and parents back in Mexico. I attended and graduated Avenal High School. Throughout the years I have had various jobs, i.e., fields, fast food restaurants, landscaping, custodial, and currently I work at Avenal State Prison. I enjoy spending time with my family, listening to music, and watching sports whenever possible.

I'm honored that the community had their trust in me to represent them as a school board member. I believe as Board Members we must have an open door policy with the community, district employees, and most importantly our students.
